**Shocked by the Bible** Joe Kovacs, 2008-09-28 Shocked by the Bible sets the record straight with well researched controversial myth breaking assertions about what the Bible really does and doesn t say And guess on which day the Bible says Jesus died Believe it or not the Good Book doesn t mention Friday and even more surprisingly while the Bible says Jesus rose from the grave it does not say it occurred Sunday morning Remember Jesus followers found an empty tomb then But don t feel bad if you ve always assumed otherwise Like countless millions of people you ve just been misinformed misled or even dare we say lied to about what the Bible actually says In a stunning investigation news veteran Joe Kovacs goes on a mission to help both Christians and non Christians alike find out what the Bible really contains and what it doesn t Shocked by the Bible The Most Astonishing Facts You ve Never Been Told is an educational juggernaut that relies solely on the Holy Bible to reveal hundreds of Scriptural facts that many people of all persuasions simply don t know The book instantly skyrocketed to the No 1 position in three Bible related categories on Amazon com I m among the biggest fans of the Bible of all time says Kovacs My goal is to educate people about the solid truth of Scripture and to stop the spread of erroneous information I want people to crack open their Bibles and see with their own eyes what s actually printed on the pages and what s not It s shocking According to Scripture you won t find Three Wise Men mentioned anywhere in the story of Jesus birth For that matter none are said to have shown up at the manger in Bethlehem The truth straight from your own

Bible is that an unspecified number of wise men first met Jesus as a young child in a house not a manger and it might have been more than a year after He was born Go ahead look it up for yourself Also according to Scripture you won't find a single mention of Easter eggs but you will find God warning His people not to have anything to do with a pagan fertility goddess whose name is synonymous with Easter Yes I'm a Bible believing Christian says Kovacs But I'm not here to convert anyone People are free to believe whatever they wish and can come to their own conclusions I just want to show them the biblical record is often very different from what many assume Not only will Christians love this book but I think Jews Muslims and even agnostics and atheists will get a kick out of it as well

**The Third Day Bible Code** Kermit Zarley, 2006 i The Third Day Bible Code i examines a third day motif that occurs in some of the most important events in the history of Israel recorded in the Bible Whether one agrees with the author's sensational thesis about the timing of Christ's return this book will serve as a strong apologetic for Jesus' resurrection and strengthen Christians in their faith The Day Jesus Died Bryan Davis, 1998

**The Seventh-Day Sabbath and the Christian Doctrine of Redemption** A. M. Simataa, 2015-06-30 The Seventh Day Sabbath and the Christian Doctrine of Redemption is a book every Christian must have in their home library The author tackles the biblical doctrine of redemption in a convincing manner and drives home the centrality of the Sabbath in redemption Over the past hundred years the witness of the sciences such as physics and biochemistry including mathematics as well as the testimony of archaeology and history has put the skeptics of the Bible on the defensive To this overwhelming testimony the author adds the witness of recent fulfilled Bible prophecy The author proceeds to show persuasively how recent fulfilled prophecies have proved once again that the Bible is truly the Word of God In the book the closing work of the gospel on the planet is shown to have a prophetic edge that no one person on the globe can afford to ignore The Day Jesus Died Dick Bradnum, 2010
