## Days Off And Other Digressions By Van Dyke Henry:

Days Off and Other Digressions Henry Van Dyke, 1927 **Days Off ...** Henri van Dyke, 2010-04-09 A DAY OFF said my Uncle Peter settling down in his chair before the open wood fire with that air of complacent obstinacy which spreads over him when he is about to confess and expound his philosophy of life a day off is a day that a man takes to himself You mean a day of luxurious solitude I said a stolen sweet of time which he carries away into some hidden comer to enjoy alone a little Jack Horner kind of a day Not at all said my Uncle Peter solitude is a thing which a man hardly ever enjoys by himself He may practise it from a sense of duty Or he may take refuge in it from other things that are less tolerable But nine times out of ten he will find that he can t get a really good day to himself unless he shares it with some one else if he takes it alone it will be a heavy day a chain and ball day anything but a day off The Works of Henry Van Dyke: Days off and other digressions Henry Van Dyke, 1920 **Days Off and Other Digressions** Henry Van Dyke, 1920 **Days Off and Other Digressions** Henry Van Dyke, 2015-05-07 Days Off and Other Digressions from Henry Van Dyke American author educator and clergyman Days Off And Other Digressions Henry Van Dyke, 2019-04-11 This work has been selected by scholars as being 1852 1933 culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant The Works of Henry Van Dyke: Days off and other digressions Henry Van Days Off, and Other Digressions Henry Van Dyke, 2012-08-01 Unlike some other reproductions of classic texts Dyke,1920 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc. We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy The Works of Henry Van Dyke Henry Van Dyke, 2019-08-09 This is a reproduction of the original artefact Generally these books are created from careful scans of the original This allows us to preserve the book accurately and present it in the way the author intended Since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions.
