Days Of Judgment A Judge In Idi Amin's Uganda:

Days of Judgment Peter Austin Philip Jermyn Allen, Sir Peter Allen, 1987 **In Idi Amin's Shadow** Alicia C. Decker, 2014-11-15 In *Idi Amin's Shadow* is a rich social history examining Ugandan women's complex and sometimes paradoxical relationship to Amin's military state. Based on more than one hundred interviews with women who survived the regime as well as a wide range of primary sources, this book reveals how the violence of Amin's militarism resulted in both opportunities and challenges for women. Some assumed positions of political power or became successful entrepreneurs while others endured sexual assault or experienced the trauma of watching their brothers, husbands or sons disappear by the state's security forces. In *Idi Amin's Shadow*, Alicia C. Decker considers the crucial ways that gender informed and was informed by the ideology and practice of militarism in this period. By exploring this relationship, Alicia C. Decker offers a nuanced interpretation of Amin's Uganda and the lives of the women who experienced and survived its violence. Each chapter begins with the story of one woman whose experience illuminates some larger theme of the book. In this way, it becomes clear that the politics of military rule were highly relevant to women and gender relations, just as the politics of gender were central to militarism. By drawing upon critical security studies, feminist studies and violence studies, Decker demonstrates that Amin's dictatorship was far more complex and his rule much more strategic than most observers have ever imagined.

Missionary of Reconciliation Alfred Olwa, 2013-11-30 *Missionary of Reconciliation: The Role of the Doctrine of Reconciliation in the Preaching of Festo Kivengere of Uganda 1971-1988* Alfred Olwa, Sydney, Australia. In the period 1971-1988, the Christian doctrine of reconciliation was central to Festo Kivengere's preaching in Uganda and beyond. This doctrine so gripped Kivengere that it shaped his attitude to life, to others and even to his enemies. He exhorted his audiences to be reconciled with God and then with their fellow human beings as part of God's remedy for a broken world. In his preaching, Kivengere depicts Jesus as a missionary of reconciliation who brings a fresh and alternative life characterized by the reconciling love and peace from God. He preached the Christian doctrine of reconciliation into a Uganda where Christians lived under the horrors of Amin's rule and its aftermath. According to Kivengere, the world changes through the preaching of the reconciliation centered in Jesus Christ. **Assault on the Spying Church in Uganda** George W. K. L. Kasozi, 2001

Historical Dictionary of Uganda Louise Pirouet, 1995-03 Uganda has now joined the list of countries covered by Scarecrow Press series of *Historical Dictionaries of Africa*. An introductory essay provides an overview of the geography, demography and economy of one of Africa's most scenically beautiful and diverse countries. The historical section of the introduction outlines Uganda's chequered development as a British protectorate and then deals with its initial post-independence before outlining its tragic descent into chaos and carnage under Presidents Idi Amin and the reinstated Milton Obote. Finally, Pirouet notes the change of political direction under Yoweri Museveni. A chronology follows which locates events that are dealt with more fully in the dictionary proper. The entries in the main section of the dictionary cover places

historical events and movements important persons and ethnic groups languages and political and other movements up to early 1994 This is followed by a lengthy select bibliography arranged under twelve main heads The introduction to the bibliography provides a brief guide to the main collections of archival material relating to Uganda One of the fascinations of Ugandan history is the exceptionally rich documentation relating to the early colonial period and the unusual amount of high quality Ugandan language published and archival source material which characterizes this highly literate society

Congress,1977 *The Federal Reporter* ,1988 The Teeth May Smile but the Heart Does Not Forget Andrew Rice,2025-10-16 From a new star of American journalism a riveting murder mystery that reveals the forces roiling today's Africa From Rwanda to Sierra Leone African countries recovering from tyranny and war are facing an impossible dilemma to overlook past atrocities for the sake of peace or to seek catharsis through tribunals and truth commissions Uganda chose the path of forgetting after Idi Amin's reign was overthrown the new government opted for amnesty for his henchmen rather than prolonged conflict Ugandans tried to bury their history but reminders of the truth were never far from view A stray clue to the 1972 disappearance of Eliphaz Laki led his son to a shallow grave and then to three executioners among them Amin's chief of staff Laki's discovery resulted in a trial that gave voice to a nation's past as lawyers argued tribes clashed and Laki pressed for justice the trial offered Ugandans a promise of the reckoning they had been so long denied For four years Andrew Rice followed the trial crossing Uganda to investigate Amin's legacy and the limits of reconciliation At once a mystery a historical accounting and a portrait of modern Africa *The Teeth May Smile But the Heart Does Not Forget* is above

all an exploration of how and whether the past can be laid to rest One of Kirkus Reviews Best Books of 2009 *AF Press Clips* United States Department of State. Bureau of African Affairs,1979 African Renaissance David Abdulai,2001 The Africa of today is different from that of yesterday The Africa of today is witnessing a renaissance one that is not merely going to change leaders and whitewash old structures It is a renaissance that is seeing real changes taking place meaningful political reforms the building of democratic institutions economic reforms freedom of the press etc Such changes are spearheaded by new leadership in Africa This new leadership has rekindled the spirits of Africans awakening them to the new day at hand an African Dawn This book is about such a renaissance It thus differs from other books that only paint a gloomy picture of Africa It offers a balanced view tracing where Africa came from the colonial post colonial to the present post post colonial periods Each period is critically analyzed and the legacies outlined Based upon such analyses it talks about the impending African Renaissance as a result of the reforms developed and implemented by post post colonial African leadership By outlining some of the challenges the new leadership in Africa would face as they create their renaissance and offering solutions to some of these challenges this book holds no illusions that the creation of the African Renaissance would be easy The task of creating the African Renaissance should not be shouldered by the new leadership of Africa and Africans alone the global community must play their part by creating a Global Constituency for Africa Through such a constituency the global community can contribute in many ways to help Africa realize its renaissance The road ahead for Africa lies in unity by uniting politically economically and socially a sustainable African Renaissance is assured To attempt to go it alone on the part of individual African nations in this era of globalization is suicidal *AF Press Clips* ,1979 **The East Africa Law Reports** ,1995
