Days of Life and Death and Escape to the Moon William Saroyan (Schriftsteller),1970      Days of Life and Death and Escape to the Moon William Saroyan,1970      **Ararat** ,1970      **The New York Times Book Review** ,1970-04      The Seven Days of Wander Christopher Dutton, A philosophical fictional novel about the adopted son of Christ The beggar boy the main character of this book was the adopted son of Christ but was abandoned by the disciples after the Crucifixion Destiny and fate revolve and conflict around this Beggar s Young Son as the now thirty year old man is called As a young man he returns for seven days to the City to take up his father s work in an attempt to rectify his distance from humanity from his own soul from his own destiny He uses logic reason and an appeal for human compassion to try to bridge to the people of the City but finds only failure for himself as he cannot be as psychically insightful and empathic as his father was Each time he feels this deeply as his own self failure In the final chapter the young Beggar leaves the City in the company of a strange new prophet and comes upon a village carved out of hope and salvation but slipping again into despair The author explores such topics as humanism free will theology capital punishment political systems ethics euthanasia evolution and ultimately the value of society to the individual and the individual to society SYNOPSIS OF NOVEL Chapter one to three Deals with concepts of creation man god in that a god will have no greatness more than the man which creates it and it the man Beggar boy sells mirrors to be the idols of their personal gods Then he must fight in court to disprove the crime of fraud against the people Chapter four Beggar boy interrupts a beating by schoolmaster of young boys The discussion explores crime vs punishment as a tool of change Chapter five Beggar explores extremes of poverty leadership and tyranny as he progresses from poor hovels to an execution pit to the king s audience He pleas for the lives of condemned slaves Explores concepts of social order tyranny freedom Chapter six Beggar interrupts argument amongst three brothers over law vs assisted suicide for their father The concept argued is wether conscience of I is above conscience of communal law Chapter seven Beggar leaves City with a mad poet who has started an alternative community in the mountains Explores concepts that logic and reason alone cannot propel human development passion of belief or blind faith is also necessary for evolution Compares the fate of the individual vs the needs of society s historical destinies      **The Book Review Digest** ,1967      *Storymaking in Bereavement* Alida Gersie,1991 With reflections on the process of grief experienced in bereavement these 12 stories are about man s struggle with death and loss Intended to stimulate coping helping skills each tale is accompanied by three story making structures involving the themes      **The New Saroyan Reader** William Saroyan,1984 The only comprehensive anthology of this beloved American author presents the reader with a warmhearted sumptuous literary feast      Book Review Index ,1970 Every 3rd issue is a quarterly cumulation      **Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ... Bowker LLC,1972      **The Jesus Myth** Kyle Weyburne, This book reveals the true story of what was unfolding in the Middle East in the centuries leading up to the emergence of Christianity as accurately as possible It will upset some but that is not my goal The true history of events is always suppressed and this is an attempt to revive the actual story as it occurred as faithfully as possible A long lost prophecy in the Dead Sea Scrolls reveals that Judas Maccabeus was the original Messiah and he did do amazing things including liberating Israel from the oppressive Greeks He gave Israel independence for the first time in 400 years and began a golden period However in the centuries to come the spectre of the Roman army began to manifest The Jews needed hope and so the prophecy was revamped and extended This resulted in a whole swathe of messianic contenders and in the 70 s AD after Rome defeated the Jews in a bloody war a relatively unknown man was extolled as the Messiah The reason why Jesus was chosen He was the most Western of all the contenders he preached tolerance at a time when few Jews would This suited Rome and so in Rome in a foreign tongue his story was written A lot of it was made up I don t say these words lightly I will prove this This book answers many more questions too questions that have vexed us for millennia such as Where is the Garden of Eden What happened to Noah s Ark Who was the first man Who was the Devil The answers will surprise you and they ll challenge everything that you think you know We live in dangerous times when fact is hard to discern from fiction This book offers a glimmer of truth at a time when this is the rarest of commodities      *Maori Life in Ao-tea* Johannes Carl Andersen,1907 Chiefly legends and myths to illustrate Maori customs but also contains lengthy indexes of proper names natural objects etc
