Dazzling And Divine A Contemplative Journey In Christ:

Dazzling and Divine Mark Sibley Jones, 2004 In this deep and enlightening book of reflections on his personal walk with God pastoral counselor and writer Mark Jones invites the reader to reflect upon his or her own personal relationships with God From the path of discipleship to that of contemplation through the turning point of disillusionment along the way we are challenged consoled and wisely guided This is a well researched book on the meaning of the spiritual journey *Soundings in the Christian Mystical Tradition* Harvey D. Egan, 2010-10-01 Called in a special way to listen to God's whispers the mystics amplify not only what it means to be baptized into the life death and resurrection of Jesus Christ and to having the Trinity living in them but also what is deepest in the human spirit Mystics experience themselves as an infinite question to which only God is the answer as an immense longing that only Love can quench as a nothing in the face of the No Thing They are God's fools troubadours the great artists and poets of the interior life whose learned ignorance articulates the art of loving God neighbor self the Church and the world In *Soundings in the Christian Mystical Tradition* Harvey Egan draws on fifty years of reading and teaching the mystics to sketch the varieties and passion of the mystical life across more than two millennia Through their stories and words Egan reveals that all were conscious of the paradox of human identity supremely and unsurpassably manifested in the God Man that the genuinely human is disclosed only through surrender to God and that the search for God cannot bypass the genuinely human Harvey D Egan SJ is the author of numerous works on Christian mysticism and the thought of Karl Rahner He is currently professor of systematic and mystical theology at Boston College

An Anthology of Christian Mysticism Harvey D. Egan, 1991 A Pueblo book Includes bibliographical references p 610 615 and index *Encyclopedia of Christian Theology* Jean-Yves Lacoste, 2005-07-27 The Encyclopedia of Christian Theology translated from the French Dictionnaire Critique de Théologie 2nd Edition features over 530 entries contributed by 250 scholars from fifteen different countries Alphabetically arranged entries provide the reader a critical overview of the main theological questions and related topics including concepts events councils theologians philosophers movements and more Hailed as a masterpiece of scholarship this reference work will be of great interest and use for scholars students of religion and theology as well as general readers The Silent God and the Silenced Min-Ah Cho, 2025 By exploring silence as more than just the mere absence of sound scholars have addressed silence as a means through which one genuinely listens to Dasein Heidegger as an antidote to a reactive volatile and opinion slinging culture Susan Sontag or as a communication alternative to the violent and turbulent rhetoric of the dominant narrative Commonly recognized in these studies is the spiritual and mystical dimension of silence that transcends the rational and the comprehensible This book begins where these theories leave off arguing that ultimate silence arises from Christian mystical tradition and theology The book particularly engages with Michel de Certeau's exploration of the empty tomb metaphor Evagrius Ponticus writings on hesychasm Søren Kierkegaard's reflections Jean-Luc Nancy's notion of divine place and Sarah Coakley's prayerful vulnerability The book also

puts ultimate silence into conversation with writers and artists namely Mary Oliver Simone Weil Susan Sontag and the poet and performance artist Theresa Hak Kyung Cha The book establishes a theory that makes the spiritual tradition of silence available for its practice in our everyday life grounded in the inexhaustible mystery of the spiritual With a deeper theological understanding of contemplation that transcends the rational the practice of silence in everyday life facilitates engagement between listener and speaker that allows both parties to deepen the relationship Provided by publisher
