

THE POLITICS OF GRANDEUR

*Ideological aspects of
de Gaulle's foreign policy*

PHILIP G. CERNY

De Gaulles Foreign Policy

Anton William DE PORTE

De Gaulles Foreign Policy:

The Politics of Grandeur Philip G. Cerny, 1980-03-06 De Gaulle was the first major Western leader to pursue a foreign policy designed consistently to break the vicious circle of the Cold War and the straitjacket of the nuclear balance of terror between Russia and the United States At the same time he sought to establish in France a new set of institutions designed to break another vicious circle that of the divisive conflicts between French social groups and political parties which led to weak governments and an ineffective state This book studies the link between these two aims both by examining de Gaulle's political aims and style in a political and cultural context and by looking first at French policy towards the Atlantic alliance and then at the impact of de Gaulle's foreign policy on domestic politics As a result many of the orthodox notions about de Gaulle are questioned *French International Policy Under De Gaulle and Pompidou* Edward A. Kolodziej, 1974 De Gaulle's Foreign Policy, 1944-1946 Anton W. DePorte, 1967 This is the first detailed scholarly study of French foreign policy during the relatively brief period at the end of World War II when General de Gaulle was President of the provisional French government During these years de Gaulle took the vitally important step of returning French foreign policy to the pragmatic nationalist tradition of Poincaré and Louis Barthou De Gaulle's efforts on the international scene although not strikingly successful in themselves foreshadowed many of the aims and policies which were pursued in various ways by his successors in the Fourth Republic and which he himself has reaffirmed in the years since 1958 In the opening chapter Mr DePorte outlines French foreign policy between 1918 and 1940 and at the same time places de Gaulle firmly within that tradition of French diplomacy which rejected the notion that France could afford to be dependent on either Germany or Great Britain In the second chapter the author reviews de Gaulle's wartime experience emphasizing his preoccupation with restoring France to full status as a Great Power and pointing out the extent to which his distrust of alliances preceded the problems he encountered with his allies as leader of the Free French This discussion also includes a perceptive reevaluation of de Gaulle's difficulties with President Roosevelt The remaining chapters of the book deal in detail with the working out of diplomatic policies and problems during de Gaulle's term in office Domestic affairs are discussed when events at home had a bearing on policy abroad Through the issues and attitudes of these years the Franco-Soviet pact the distrust of allies and their blocs the attempts to organize other groupings around France the proposals for a Western European entity in which at least part of Germany could find a place runs the unifying theme of the constant thrust for recognition of France's standing as a major power During this period de Gaulle suffered many setbacks but it is noteworthy that his basic objective the acceptance of France's right to participate in the great decisions of peace and war which he himself did not achieve was attained by his successors **Globalizing de Gaulle** Christian Nuenlist, Anna Locher, Garret Martin, 2010-04-27 French President Charles de Gaulle 1958-1969 has consistently fascinated contemporaries and historians His vision conceived out of national interest of uniting Europe under French leadership and overcoming the Cold War still remains relevant and appealing De Gaulle's

towering personality and his challenge to US hegemony in the Cold War have inspired a vast number of political biographies and analyses of the foreign policies of the Fifth Republic mostly from French or US angle In contrast this book serves to rediscover de Gaulle s global policies how they changed the Cold War Offering truly global perspectives on France s approach to the world during de Gaulle s presidency the 13 well matched essays by leading experts in the field tap into newly available sources drawn from US European Asian African and Latin American archives Together the contributions integrate previously neglected regions actors and topics with more familiar and newly approached phenomena into a global picture of the General s international policy making The volume at hand is an example of how cutting edge research benefits from multipolar and multi archival approaches and from attention to big middle and smaller powers as well as institutions

De Gaulle and the World W. W. Kulski ,1966 **Charles de Gaulle, the International System, and the Existential Difference** Graham O'Dwyer,2017-03-27 This innovative account of Charles de Gaulle as a thinker and writer on nationalism and international relations offers a view of him far beyond that of a traditional nationalist Centring on the way de Gaulle regarded nations as individuals the author frames his argument by rationalising de Gaulle s nationalism within the existential movement that flowed as an intellectual undercurrent throughout early and mid twentieth century France Graham O Dwyer asserts that this existentialism of the nation and the presence of the past allowed de Gaulle to separate the nation from the state when looking at China Russia Vietnam and East European countries enabling him to understand the idiosyncrasies of specific national characters better than most of his contemporaries This was especially the case for Russia and China and meant that he read the Cold War world in a way that Washington and London could not allowing him a unique insight into how they would act as individuals and in relation to other nations

De Gaulle's Foreign Policy, 1944-1946 Anton William DE PORTE,1968 **French Foreign Policy Under De Gaulle** Alfred Grosser,1977 Two Strategies for Europe Frédéric Bozo,Susan Emanuel,2002-07-15 This timely book explores the often stormy French U S relationship and the evolution of the Atlantic Alliance under the presidency of Charles de Gaulle 1958D1969 The first work on this subject to draw on previously inaccessible material from U S and French archives the study offers a comprehensive analysis of Gaullist policies toward NATO and the United States during the 1960s a period that reached its apogee with de GaulleOs dramatic decision in 1966 to withdraw from NATOOs integrated military arm This launched the French policy of autonomy within NATO which has since been adapted without having been abandoned De GaulleOs policy often has been caricatured by admirers and detractors alike as an expression of nationalism or anti Americanism Yet Frederic Bozo argues that although it did reflect the GeneralOs quest for grandeur it also and perhaps more important stemmed from a genuine strategy designed to build an independent Europe and to help overcome the system of blocs Indeed the author contends de GaulleOs actions forced NATO to adapt to new strategic realities Retracing the different phases of de GaulleOs policies Bozo provides valuable insight into current French approaches to foreign and security policy including the recent attempt by President Chirac to

redefine and normalize the France NATO relationship As the author shows de Gaulle's legacy remains vigorous as France grapples with European integration a new role within a reformed NATO and relations with the United States *Globalizing de Gaulle* Christian Nuenlist, Anna Locher, Garret Martin, 2010-04-27 French President Charles de Gaulle 1958 1969 has consistently fascinated contemporaries and historians His vision conceived out of national interest of uniting Europe under French leadership and overcoming the Cold War still remains relevant and appealing De Gaulle's towering personality and his challenge to US hegemony in the Cold War have inspired a vast number of political biographies and analyses of the foreign policies of the Fifth Republic mostly from French or US angle In contrast this book serves to rediscover de Gaulle's global policies how they changed the Cold War Offering truly global perspectives on France's approach to the world during de Gaulle's presidency the 13 well matched essays by leading experts in the field tap into newly available sources drawn from US European Asian African and Latin American archives Together the contributions integrate previously neglected regions actors and topics with more familiar and newly approached phenomena into a global picture of the General's international policy making The volume at hand is an example of how cutting edge research benefits from multipolar and multi archival approaches and from attention to big middle and smaller powers as well as institutions *French Foreign Policy since 1945* Frédéric Bozo, 2016-08-01 When Charles de Gaulle declared that it is because we are no longer a great power that we need a grand policy he neatly summarized France's predicament on the world scene In this compact and engaging history author Frédéric Bozo deftly recounts France's efforts to reconcile its proud history and global ambitions with a realistic appraisal of its capabilities from the aftermath of World War II to the present He provides insightful analysis of the nation's triumphs and setbacks through the years of decolonization Cold War maneuvering and European unification as well as the more contemporary challenges posed by an increasingly multipolar and interconnected world *JFK and de Gaulle* Sean J. McLaughlin, 2019-08-20 America's road to disaster in Vietnam has been endlessly chronicled but Sean L McLaughlin takes a fresh approach to that familiar story James Hershberg George Washington University Despite French President Charles de Gaulle's persistent efforts to constructively share French experience and use his resources to help engineer an American exit from Vietnam the Kennedy administration responded to de Gaulle's peace initiatives with bitter silence and inaction The administration's response ignited a series of events that dealt a massive blow to American prestige across the globe resulting in the deaths of over fifty eight thousand American soldiers and turning hundreds of thousands of Vietnamese citizens into refugees This history of Franco American relations during the Kennedy presidency explores how and why France and the US disagreed over the proper western strategy for the Vietnam War France clearly had more direct political experience in Vietnam but France's postwar decolonization cemented Kennedy's perception that the French were characterized by a toxic mixture of shortsightedness stubbornness and indifference to the collective interests of the West At no point did the Kennedy administration give serious consideration to de Gaulle's proposals or entertain the notion of using his services as an honest

broker in order to disengage from a situation that was rapidly spiraling out of control Kennedy's Francophobia the roots of which appear in a selection of private writings from Kennedy's undergraduate years at Harvard biased his decision making This book explores how the course of action Kennedy chose in 1963 a rejection of the French peace program all but handcuffed Lyndon Johnson into formally entering a war he knew the United States had little chance of winning Charles de Gaulle Andrew Knapp,2020-11-02 In this new biography Andrew Knapp concisely dissects each of the major controversies surrounding General Charles de Gaulle leader of the Free French during the Second World War and President of France from 1959 to 1969 From the beginning of de Gaulle's military career in 1909 to an analysis of legacies and myths after his death in 1970 this study examines the path by which the French came to honour him as the greatest Frenchman of all time and as the twentieth century's pre eminent world statesman In each chapter Knapp analyses de Gaulle's participation in key events such as the development of France's resistance against Nazi Germany the decolonisation of Algeria the birth of the French Fifth Republic and the gigantic upheaval of May 1968 Simultaneously this study questions de Gaulle's actions and motives throughout his life By exploring the justification of the contemporary de Gaulle myth Knapp concludes by shedding new light on the influence of de Gaulle in the political culture of twenty first century France Through careful analysis of primary sources as well as recent scholarship this biography is an invaluable source for scholars and students of modern history the history of France political institutions and international relations **De Gaulle and the World** Wladyslaw W. Kulski,1966

Foreign Policy and Interdependence in Gaullist France Edward Morse,2015-03-08 French foreign policy in the 1960's seemed unique because it was dominated by the anachronistic ideals of Charles de Gaulle Edward L Morse argues that in fact the foreign policies of all highly modernized states are so similar that they can be described and explained by a general theory of interdependence He uses France as a case study of his theory and shows that what makes French foreign policy in this period so fascinating is the way in which the behavior of the President brought into sharp focus the problems interdependence poses for nation states The book is divided into two parts The first develops the theory of the conduct of foreign policy in any highly modernized society The second part tests the theory by examining such characteristics of French foreign policy as the erosion of the distinction between foreign and domestic affairs the constraints put on foreign policy by the growth of international economic interdependence which has also affected the autonomy of decision making in a purely national context the increased importance of foreign economic policy the questioning of governmental priorities in foreign affairs and the emergence of crisis management and manipulation as part of the routine procedures of foreign policy operations Edward L Morse's work is valuable both for the theory it offers and because it gives a balanced view of foreign policy in an important period in recent French history Originally published in 1973 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in

durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Patterns of French Foreign Policy, 1958-1967 Edward A. Kolodziej, 1968 *Gaullism Since de Gaulle* Andrew

Knapp, 1994 This is the first general study of Gaullism to appear for a generation and takes the party's survival for its central theme Opening with a narrative approach that highlights the impact of personal rivalries on the party's history since 1969

Andrew Knapp then analyzes the underpinnings of its continued strength in its electoral appeal its organizational strength its role in government at both local and national level and its changing ideology **Myopic Grandeur** John E. Dreifort, 1991

France's effort to maintain its presence as a great world power is the subject of *Myopic Grandeur* a study of French foreign policy initiatives in the Far East from World War I until the conclusion of World War II **French Foreign Policy**, 1968

France, Troubled Ally Edgar Stephenson Furniss, 1960 Background and prospects of De Gaulle's Fifth Republic at home and on the world scene

Eventually, you will categorically discover a extra experience and attainment by spending more cash. nevertheless when? complete you believe that you require to get those every needs subsequently having significantly cash? De Gaulles Foreign Policy Introduction

In today's digital age, the availability of De Gaulles Foreign Policy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of De Gaulles Foreign Policy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of De Gaulles Foreign Policy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing De Gaulles Foreign Policy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, De Gaulles Foreign Policy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing De Gaulles Foreign Policy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for De Gaulles Foreign Policy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain

books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, De Gaulles Foreign Policy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of De Gaulles Foreign Policy books and manuals for download and embark on your journey of knowledge?

FAQs About De Gaulles Foreign Policy Books

What is a De Gaulles Foreign Policy PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a De Gaulles Foreign Policy PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a De Gaulles Foreign Policy PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a De Gaulles Foreign Policy PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a De Gaulles Foreign Policy PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers

PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
