Leonard Orr, 1991 In the last twenty five years there has been a revolution in literary study in the English speaking world involving two related shifts in understanding One is the recognition that the study of literature requires a theoretical grounding and the other is an acknowledgement that such a grounding is contingent upon the realization that ours is a postmodernist world Despite much resistance from traditional literary historians and formalist critics both of these assumptions influence many of today's most forceful and insightful academic literary analyses Yet Yeats scholarship has remained largely embedded in traditional modes of critical theory For the first time this collection of original essays applies a wide spectrum of contemporary critical theories to major works in the Yeats canon serving as models of how to read and work with Yeats from a postmodernist poststructuralist perspective R B Kershner for example uses Bakhtin and medical psychological studies of dyslexia to consider the written versus the oral and the inner dialogization of Yeats's writing Cheryl Herr provides a juxtaposition of the major concepts of Foucault's work especially the notion of the episteme from *The Order of Things* as applied to Yeats's *Vision* and Ronald Schleifer considers the designing gestures of postmodern rhetoric found in Yeats using the work of Lyotard Jameson O Hara and Derrida These and other provocation essays which challenge us to rethink our most basic notions of how to read Yeats offer ample evidence of the remarkable new perceptions that can be gained from applying poststructuralist criticism to Yeats     *Sublime Desire* Amy J. Elias, 2001-11-23 In its range and sophistication *Sublime Desire* is a valuable addition to postmodernist studies as well as to studies of the historical romance novel     **Problems and Poetics of the Nonaristotelian Novel** Leonard Orr, 1991 In this work an alternative tradition in fiction is played off against the mainstream novel genre conventions reader expectations and the audience's worldview
