Dead Travis Adkins, 2006-10 Courtney Colvin was nearing the end of her teenage years when the undead apocalypse began She survived forsaking her youth and innocence and five years later she continues to exist albeit lonely in the fortified town of Eastpointe Nightmares and the unwelcome advances of Leon Wolfe are the worst things she s dealing with now in her otherwise mundane life But when a newcomer arrives in town and claims to know the location of the antidote to the zombie plague it sends Eastpointe into an uproar To retrieve this cure she and a group of other survivors must venture outside the relative safety of the compound s walls and into a world ruled and dominated by the flesh eating undead *Twilight of the Dead* puts a new spin on the zombie genre yet remains true to the classic rules that have already been set forth A sure fire reading pleasure for anyone who loves character driven horror This Special Edition contains an Introduction by David Moody and three bonus short stories detailing important moments in the lives of other survivors After Twilight Travis Adkins, 2008-12 At the start of the apocalypse a small resort town on the coast of Rhode Island fortified itself to withstand the millions of flesh eating zombies conquering the world With its high walls and self contained power plant Eastpointe was a safe haven for the lucky few who managed to arrive Trained specifically to outmaneuver the undead Black Berets performed scavenging missions in outlying towns in order to stock Eastpointe with materials vital for long term survival But the town leaders took the Black Berets for granted on a whim sending them out into the cannibalistic wilderness Most did not survive Now the most cunning most brutal most efficient Black Beret will return to Eastpointe after narrowly surviving the doomed mission and unleash his anger upon the town in one bloody night of retribution After twilight when the morning comes and the sun rises will anyone be left alive The Egg Said Nothing Caris O'Malley, 2010 Meet Manny He s your average shut in with a penchant for late night television and looting local fountains for coins With eight locks on his door and newspapers covering his windows he s a more than a bit paranoid too His wasn t a great life but it was comfortable at least it was until the morning he awoke with an egg between his legs But what might have been a curse becomes a charm as this unlikely event

leads him to all night diner where he finds inedible pie undrinkable coffee and the girl of his dreams But can this unexpected chance at love survive after the egg cracks and time itself turns against him dead set on rerouting history and putting a shovel to the face of the one person who could bring real and lasting change to Manny s world Bucket of Face Eric Hendrixson,2010-10 Thirteen years after a police officer searching a suspected child molester s home spilled a vial of silver pollen America is still struggling with how to recognize its sentient fruit population Charles is just a normal guy working at a doughnut shop until an apple and a banana shoot each other in a mafia dispute leaving a briefcase full of foreign currency and a specimen bucket at the corner booth When Charles turns the wiseguys into doughnuts and steals their luggage hoping for a better life for himself and his kiwi fruit girlfriend he finds himself in the middle of a mafia war As his girlfriend travels the DC metro area selling off the contents of the bucket Charles finds he is the target of a seasoned hit tomato who happens to be the biggest Michael Jackson fan who ever lived Muscle Memory Steve Lowe,2010-10 Billy Gillespie wakes up one morning to discover his junk is gone In its place is his wife s junk Billy is now Tina and Tina is dead That s because Billy s dead His lifeless body is still in bed and empty beer bottles and a container of antifreeze litter the kitchen counter Over the next 24 hours Billy and an odd assortment of neighbors all experiencing their own bouts of body switcheroo try to figure out what happened and why Can they do it before the Feds find Billy s body Was it aliens that caused this or God or the government And did Edgar Winter really sleep with his sheep Pro football Hall of Famer Terry Bradshaw has those answers in a story that asks What Would Kirk Cameron Do **The Haunted Vagina** Carlton Mellick,2006 Steve is madly in love with his eccentric girlfriend Stacy Unfortunately their sex life has been suffering as of late because Steve is worried about the odd noises that have been coming from Stacy s pubic region She says that her vagina is haunted She doesn t think it s that big of a deal Steve on the other hand completely disagrees When a living corpse climbs out of her during an awkward night of sex Stacy learns that her vagina is actually a doorway to another world She persuades Steve to climb inside of her to explore this strange new place But once inside Steve finds it difficult to return especially once he meets an oddly attractive woman named Fig who lives within the lonely haunted world between Stacy s legs The Ultra Fuckers Carlton Mellick Iii,Carlton Mellick (III.),2008 Tony dreads the idea of going to his wife s company dinner party in Eagle Hills the new upper middleclass gated community that just popped up outside of Scottsdale AZ He hates these Southwestern style planned suburban neighborhoods All of the streets look the same All of the houses look the same All of the people look the same Because everything in Eagle Hills looks exactly the same Tony has trouble finding the dinner party He quickly becomes lost in the sea of red tile roofs The streets seem to go on forever The addresses don t seem to make any sense After hours of navigating the suburban labyrinth Tony discovers that there is something terribly wrong with the Eagle Hills gated community There is something unnatural about the houses around him There is something inhuman about the people staring at him through the windows And no matter how far he drives he can t seem to find his way out Ultra Fuckers is a work of absurd suburban horror in the tradition
