Metta Victoria Fuller Victor Published under the pseudonym Seeley Regester The Dead Letter is the first full length work of
crime fiction in American literature I paused suddenly in my work Over a year s experience in the Dead Letter office had
given a mechanical rapidity to my movements in opening noting and classifying the contents of the bundles before me Young
ladies whose love letters have gone astray evil men whose plans have been confided in writing to their confederates may feel

but little apprehension of the prying eyes of the Department Richard Redfield is accustomed to boredom in his role as inspector at the post office s dead letter department Tasked with reviewing the contents of undeliverable letters Redfield is shocked to discover a clue to the death of his friend two years prior With the help of Detective Burton Redfield sets out to uncover the truth which he hopes will provide belated justice for Henry and peace for his bereaved fianc e Eleanor With a beautifully designed cover and professionally typeset manuscript this edition of Metta Victoria Fuller Victor s *The Dead Letter* is a classic of American crime fiction reimagined for modern readers **Dead Letter** Jonathan Valin,1981 A professor hires a private investigator to reclaim some lost government documents that he thinks were taken by his daughter **The United States Post-office Guide** Eli Bowen,1851 **Country Guide and Nor'west Farmer** ,1909 *The Dead Letter, an American Romance* Metta Victoria (Fuller) Victor,2016-04-22 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Dead Letter** Metta Victoria Fuller Victor,2020-10-09 Richard is set to join a new law firm owned by his friend s Eleanor s father Inevitably he is dragged into the murder mystery of Eleanor s fianc Henry With detective Burton in tow Richard must find the clue that is hidden in plain sight as a dead letter in the post office _x000D_ Excerpt _x000D_ I paused suddenly in my work Over a year s experience in the Dead Letter office had given a mechanical rapidity to my movements in opening noting and classifying the contents of the bundles before me and so far from there being any thing exciting to the curiosity or interesting to the mind in the employment it was of the most monotonous character Young ladies whose love letters have gone astray evil men whose plans have been confided in writing to their confederates may feel but little apprehension of the prying eyes of the Department nothing attracts it but objects of material value sentiment is below par it gives attention only to such tangible interests as are represented by bank bills gold pieces checks jewelry miniatures et cetera
