D. Joyce, 2003 Horrorcore Frederick Lewis Blackwell II, 2016-01-21 Horrorcore by Frederick Lewis Blackwell II Based on major influences such as The Insane Clown Posse, Esham, Tech N9ne, and Twiztid, Horrorcore is a collection of poetry for Juggalos, old school and new school alike. The wicked style and themes pop of the page and into readers' minds, making them feel like a certified Juggalo. Double Take Brenda Joyce, 2024-09-04 A stylishly sleek romantic suspense novel which uses secrets, deception, danger, and forbidden desire to keep readers guessing until the very end. Booklist Kait London has been estranged from her twin sister for years. She has never understood why and has always regretted it. When her phone rings in the middle of the night, Kait learns that Lana desperately needs her help. All Kait has to do is take her place for two days at her home in the horse country of Virginia. If Kait can play this role convincingly, she will save Lana's life. This is a game the twins have played before. But never like this. For the charade is much more difficult to pull off than when they were children. Lana has many secrets, secrets she has kept from everyone, including Kait, and she has as many enemies, including her own husband. Kait had not been expecting Trev Coleman to be in residence. Worse, she is soon forced to recognize how darkly seductive he is and that he may very well be her worst enemy. And then Kait realizes that she is directly in the line of fire. Someone is deliberately stalking Lana, but Kait is the trapped prey. Filled with stunning twists and turns with mind games and body heat, *Double Take* is a taut romantic thriller from an author who delivers one surprise after another until the very last page. **The Deadly Caress** O N Stefan, Olga Segal, 1915-03-13 *The Deadly Caress* is a fast-paced story set in California. Suspenseful and thrilling, it holds a mystery that Amanda Blake, a freelance photographer, must unravel. Amanda tracks down her birth mother, the multi-millionaire Jean Campbell. Hours after her arrival, Jean is murdered. Amanda sets out to discover her mother's killer. Her quest takes to

Australia to find the man she thinks holds the answer to the killer's identity While visiting this man she has to run for her life under a hail of bullets Someone will stop at nothing until she is dead If she thought things were bad enough they are about to get much worse What some of my beta readers said Bravo for a plot that grabs the reader The characters are intriguing and in the early chapters you've stirred up enough suggestion of internal conflict for at least Amanda and Dorian to make readers want to go deeper into their lives and individual situations This book moves at a brisk pace from the very beginning Amanda meeting her mother Jean for the first time after many years The backstory surfaces rapidly Amanda adopted out in Australia when Jean was seventeen and penniless but now a rich widow in California able to call them back together It is a busy plot around diverse characters eyeing a huge inheritance while a murder takes place and suspicion is rife giving investigators a puzzle to unravel Your prose is clear cut and to the point in both narration and dialogue making the story easy to follow
