Did you know that AI can automate up to 58% of customer service interactions? Our study on chatbot statistics also confirmed that almost 1.5 million people had at least one conversation with a chatbot within the past year. Well, AI revolutionized how businesses help their clients. It enabled 24/7 support through chatbots and virtual assistants, increased efficiency, and allowed human agents to focus on more complex issues. There is just one issue: Not every chatbot is AI. Simultaneously, not all AI-powered solutions will be perfect for all tasks related to customer service, especially in the ecommerce field. Believe us, we would know. At Tidio, we help 300k businesses worldwide automate customer service, collect leads on autopilot, and increase sales. Tidio is one of the most installed chatbot and live chat companies worldwide, specializing in providing tailored customer service solutions. We always strive to be on the cutting edge and respond to our customers' biggest challenges. One of them is strategically combining rule-based and AI-powered chatbots so that businesses can elevate their customer service to new heights.
