The Beginner's Guide to Blogging David Grete,2020-05 It all started about a decade ago when the economy went south and I lost my job I found myself without purpose surviving on unemployment checks and aimlessly searching for an alternative way to earn a living Contrarily losing my job was one of the best things that has ever happened to me The part I didn t handle so well was the uncertainty How was I going to support myself What was I going to do with myself Every day I faced the daunting task of finding a new job no easy feat during the great financial crash of 2008 2009 and the biggest economic downturn in my life I d heard of the possibilities of blogging There were a few bloggers doing what I could only dream of doing Making a living just for doing something they loved I gave it some consideration and contacted some of them Many were kind enough to answer my emails and some gave me some solid advice on getting started with my very own blog Have you noticed how some bloggers make six or seven figure incomes while others struggle to even make 100 What if I could teach you some key skills and habits that could make your blog a true success financially One of the biggest secrets I can share about blogging one that I quickly came to understand from other successful communicators is that you have to be passionate about what you re writing But this book has so much more to offer In this book you ll find easy step by step instructions on how to Setup your very own blog Analyze and select a specific niche that is both profitable and that you are passionate about Promote and market your blog using several proven social media marketing strategies Apply basic content strategy and design elements to your blog posts to make them go viral Apply 25 essential blogging tips that can help you turn passion into profit While you may not get instantly rich from blogging it is something you can easily build upon in your spare time and expand into a full fledged career path In this book you will learn everything you need to know to get a huge advantage in blogging by standing on the shoulders of some of the most successful bloggers ever to put words on a page For less than a cup of coffee this book will literally teach you how to turn your passion into profit become your own boss and eventually leave the day job behind Don t wait click the Add to Cart button now and let s get started

The Entrepreneur's Information Sourcebook Susan C. Awe,2012-01-16 For 21st century entrepreneurs this book provides the practical guidance they need to overcome the often intimidating challenges of starting organizing and running a new business effectively and efficiently The economic downturn has many individuals considering going into business for themselves rather than relying on an employer for their income Unfortunately according to data from the Small Business Administration the odds of long term success are against them 69 percent of businesses do not last past seven years and 56

percent fail in less than four This book provides entrepreneurs with a comprehensive guide to the resources they need or will likely want to consult when starting a small business and in order to stay profitable over the long run The Entrepreneur s Information Sourcebook Charting the Path to Small Business Success Second Edition provides the expert guidance and up to date print and web resources an entrepreneur may need to make his business thrive and grow from inception and information gathering to raising capital to marketing methods and human resource concerns Nearly half of the resources in this newly updated book are new and the essays have also been updated to reflect current business practices This book is an essential tool that provides quick and easy access to the information every small business owner needs *The New Walford Guide to Reference Resources* Ray Lester,2005 The New Walford highlights the best resources to use when undertaking a search for accurate and relevant information saving you precious time and effort For those looking for a selective and evaluative reference resource that really delivers on its promise look no further In addition to print sources The New Walford naturally covers an extensive range of e reference sources such as digital databanks digital reference services electronic journal collections meta search engines networked information services open archives resource discovery services and websites of premier organizations in both the public and private sectors But rather than supplying a list of all available known resources as a web search engine might The New Walford subject specialists have carefully selected and evaluated available resources to provide a definitive list of the most appropriate and useful With an emphasis on quality and sustainability the subject specialists have been careful to assess the differing ways that information is framed and communicated in different subject areas As a result the resource evaluations in each subject area are prefaced by an introductory overview of the structure of the relevant literature This ensures that The New Walford is clear easy to use and intuitive Publisher
