Kingdom Of Ten Thousand Things Gary Geddes, 2012-08-14 For thirty years Gary Geddes has lived with his shadow self an obscure 5th century Buddhist monk named Huishen whose legend shanghaied his vivid imagination Huishen originally from Kabul Afghanistan reportedly sailed from China to Vancouver Island continuing southward to Mexico In a journey to recreate the travels of Huishen Geddes finds himself not only struggling to cross the ancient barriers of the Himalayas the Taklamakan Desert the Pacific Ocean and the jungles of Central America but also gingerly picking his way through Taliban landmines and Chinese and Zapatista politics From Afghan refugees to Tibetan monks and the ghost of Quetzalcoatl in Mexico Geddes encounters a host of quirky characters and fast friends none so compelling and insistent as the voice of Huishen who speaks to him mysteriously across the centuries But not even Huishen could imagine the events of 9/11 which transform Geddes' journey beyond a quest for an elusive monk into an exploration of the ways in which we learn to interpret history Sacred profane and richly comic Kingdom of Ten Thousand Things a Chinese term for life itself is a remarkable personal odyssey a cornucopia of adventure philosophy and hearsay a book that will disarm and delight while provoking debate just who got here first anyway

Microtimes, 1998

Digital Nomad Daniel Shore, The digital nomad lifestyle has gained popularity in recent years due to advancements in

technology and a shift in work culture towards remote employment Digital nomads typically rely on laptops smartphones and internet connectivity to perform their work from anywhere with a reliable internet connection This lifestyle enables individuals to break free from the traditional office setting allowing them to choose their own hours travel to new destinations and immerse themselves in different cultures One of the key aspects of the digital nomad lifestyle is flexibility Since most digital nomads work as freelancers consultants or remote employees they have the freedom to design their own work schedule This flexibility allows them to prioritize experiences over material possessions spending their time and resources on travel exploration and personal growth However the digital nomad lifestyle also comes with its challenges Adapting to different time zones managing work life balance and maintaining a stable income stream while on the road can be daunting tasks Digital nomads must also navigate visa requirements cultural differences and logistical issues related to accommodation transportation and healthcare Despite these challenges many individuals find the digital nomad lifestyle to be incredibly rewarding It offers the opportunity to live and work on their own terms fostering creativity independence and a sense of adventure Whether it s working from a beachside cafe in Bali a co working space in Lisbon or a mountain retreat in Colorado the digital nomad lifestyle opens up a world of possibilities for those willing to embrace it
