**Goal Setting** Side Hustlers, 2019-12-15. The time for uncertainty is over. Now is the time for resolute action. Embark on this journey toward setting the best and highest goals. Instead of depending on external sources for your validation and satisfaction, begin to look to your own inner strength and wisdom to not just imagine but to build your best life. Through considered planning and careful preparation, all of your goals are well within your reach. First, you must establish your parameters: what are your goals for the future? What is your idea of financial security? Next, you must designate a plan to meet those goals and perhaps most importantly, chart a clear path toward accountability in getting there and staying on track. Some ideas to help you supplement your main income with simple or more involved, depending on your available time and level of desire, side hustles are also outlined throughout. Finally, we ended with a handful of inspiring stories about busy people just like you who were able to achieve great success with a solid idea and no small amount of clear-eyed goals and determination. Some of the specific material you will encounter in this book includes: Ideas for how to establish the parameters of your goals, including using SMART techniques for goals that are specific, manageable, attainable, relevant and time-bound. A guide to some handy applications and online programs that will help you to track your progress and continue achieving success. Some advice on work-life balance and how to be sure to integrate your personal goals into your already busy life without sacrificing anything. Ideas on how to achieve financial security via planning and setting long-term goals that are realized through short-term actions. Specific suggestions on ways to earn extra money via the side hustle or turning the side hustle into your personal business success and how to best utilize that income. How to create vision boards for psychological inspiration and use mastermind groups for accountability to keep you focused and motivated.

Inspirational examples from young entrepreneurs and advice from established entrepreneurs to motivate you to set clear goals and stick to them The time has never been riper to spring into action Live your life in the present with purpose and determination and act as if each day is precious full of goals and expectations to fulfill These opportunities are always yours to take you must but embrace them each and every day With careful consideration a heap of determination and a network of motivation anyone can make setting goals and achieving them a reflexive part of a busy life Embark upon your journey toward financial security and entrepreneurial success It takes passion planning and careful plotting of progress Use this book as your compass to charting your course and start setting your goals today      *Content Marketing* James Harris, 2017-08-19
