What Are Hybrid Work Schedule Ideas For Men:

Masculinity, Marriage and Rural Men in Urban China Sarah Gosper, 2024-12-31 This book explores the conjuncture and interrelationship between three so called crises facing Chinese society a crisis of marriage a crisis of masculinity and a crisis of mobility Based on sustained ethnographic research on unmarried lower class rural men from two distinct social and class categories namely migrant workers employed in the food delivery and express mail delivery industries and tertiary educated white collar professionals the book reveals how the increasing socio economic precarity of rural men and their largely unrealised desires to marry and have children demonstrates a fundamental reconfiguration of Chinese masculinity and mobility in urban China and the social impact on central Chinese institutions The book also reveals the futile efforts to fulfil hegemonic models of masculinity in contemporary China and addresses the heterogeneity of unmarried lower class rural men as they navigate marriage manhood and mobility Exploring gender relations in China and contributing to global studies of heterosexual masculinities this book will appeal to students and scholars of Chinese culture and society gender studies and social anthropology

Africa's Green Revolution William G. Moseley, Matthew A. Schnurr, Rachel Bezner-Kerr, 2017-10-02 This volume examines the dominant neoliberal agenda for agricultural development and hunger alleviation in Africa The text reviews the history of African agricultural and food security policy in the post colonial period across a range of geographical contexts in order to contextualise the productionist approach embedded in the much heralded New Green Revolution for Africa This strategy supported by a range of international agencies promotes the use of hybrid seeds fertilisers and pesticides to boost crop production This approach is underpinned by a new and unprecedented level of public private partnerships as donors actively work to promote the private sector and build links between African farmers input suppliers agro dealers agro processors and retailers On the consumer end increased supermarket penetration into poorer neighbourhoods is proffered as a solution to urban food insecurity The chapters in this volume complicate understandings of this new approach and raise serious questions about its effectiveness as a strategy for increasing food production and alleviating poverty across the continent This book is based on a special issue of *African Geographical Review*

European Narratives on Remote Working and Coworking During the COVID-19 Pandemic Mina Akhavan, Marco Hölzel, Divya Leducq, 2023-05-02 This open access book offers a multidisciplinary and comprehensive perspective regarding the immediate and long term effects of the Covid 19 pandemic on coworking spaces in the European Region The current pandemic has imposed several effects on work and spaces for work Some are immediate effects and will last for a short time such as the closing down of the space some will last longer namely the reorganisation of the space to meet the physical distancing and some will stay for a long time remote working and hybrid working Although the literature on coworking spaces and the effects of the pandemic is growing fast empirical studies are yet limited Within this context this book seeks a twofold aim i to contribute to the fast growing literature on coworking space and their effects at different scales ii to present a multidisciplinary perspective about

the effects of the yet lasting Corona pandemic effects on the patterns of remote working and consequently on coworking spaces as the most diffused form of new working spaces

Organizational Communication Dennis K. Mumby, Timothy R. Kuhn, 2025-01-14 *Organizational Communication A Critical Approach Third Edition* presents a modern critical perspective while providing a comprehensive survey of theory and research in organizational communication Authors Dennis Mumby and Timothy Kuhn familiarize students with the field of organizational communication historically conceptually and practically and challenges them to reconsider their common sense understandings of work and organizations preparing them for participation in 21st century organizational settings Linking theory with practice Mumby skillfully explores the significant role played by organizations and corporations in constructing our identities The text has been extensively revised recognizing that the world has changed significantly between editions including the rise of social media the increasingly networked character of organizational life the emergence of AI and more Critical analysis of the relationship between communication and organization has never been more important and the updates provide a current look into the critical issues that students will face as they navigate their work lives

The Country Gentleman ,1928 *Brick and Clay Record* ,1916 **History and the Idea of Progress** Arthur M. Melzer, M. Richard Zinman, Jerry Weinberger, 2019-05-15 The publication of Francis Fukuyama's article *The End of History* prompted a wave of public debates about democracy progress and the idea of history In this book twelve distinguished cultural commentators offer a brilliant array of responses to those debates Fukuyama's controversial essay had considered whether Western style democracy might be the endpoint of an inevitable historical development For the present volume the chapters none of which has appeared elsewhere include both a keynote chapter by Fukuyama and a series of spirited alternatives to his position Additional essays examine the historical and philosophical origins of the idea of history that lies behind today's perspectives on progress and politics
