On New Shores Susan S. Chuang, Robert P. Moreno, 2008-09-26 Over the past several decades researchers as well as social policymakers and educators have acknowledged the importance that fathers play in their children s lives A good deal of research on fathering has been conducted among Euro American families in North America However our understanding of fathering across various ethnic groups remains limited Throughout Canada and the United States the immigrant population has been growing rapidly Currently no book has delineated the field of immigrant fathering from a comprehensive and multi disciplinary perspective which includes theory research and social policy Researchers are widely recognizing that the theoretical frameworks and models of parenting and more specifically fathering that were based on Euro American families may not be relevant to other ethnic groups As researchers refine theoretical and methodological approaches to understand fathering within sociocultural contexts they become more

cognizant of the varying meanings of parenting between and within ethnic groups On New Shores extends the understanding of fathering in ethnic minority families and specifically focuses on immigrant fathers an area which has remained fairly uncharted The book provides readers with a richer and more comprehensive approach to how researchers practitioners and social policymakers can examine fathering among ethnic minority families
