and already arrived writers the Writer's Market features information vital to the success of an author's career. This edition contains the facts on 4 000 opportunities including up to date listings of buyers of books, articles and stories and listings of contests and awards plus articles and interviews with top professionals. Enhanced Occupational Outlook Handbook Jist Works, 2008-07 Job seekers, students and others doing in depth career research can access information on nearly 8 000 jobs in one current convenient book. With more job descriptions than in any other career reference, the best selling Enhanced Occupational Outlook Handbook provides a practical way to obtain and use the information from the three most authoritative occupational data sources. It includes the complete text of the latest Occupational Outlook Handbook by the U.S. Department of Labor plus related job descriptions from the government's latest O\*NET database and from the Dictionary of Occupational Titles. Readers learn about all of their career options in one resource. Now in its all new seventh edition, the EOOH is easy to use because it's organized by clusters of related jobs, the same user friendly structure as in the OOH. Readers doing career research and planning also learn the latest details on earnings, job growth, education and skills required, working conditions, employment trends and more. A new appendix organizes all the OOH jobs by personality codes so readers can easily find related job descriptions after using any career assessment based on Holland's six personality types: Realistic, Investigative, Artistic, Social, Enterprising and Conventional. Top 300 Careers, 2008 Explore hundreds of careers, assess your best career fit and land a job fast with this extensive authoritative resource. In one time saving volume, job seekers and students find everything they need to research careers, learn about pay, outlook, education and skills needed for about 300 jobs, match their personal skills to the jobs and take seven steps to land a good job in less time. This book provides thorough current and interesting descriptions for all major jobs covering about 90 percent of the workforce. A special book within a book section by career and job search author Michael Farr describes the seven steps that cut job search time in half and includes sample resumes. An assessment matches your personal skills with the characteristics of the occupations described in the book.
