**Found Again** Shreya Prakash, Deepa Narayanaswamy, Rashmi Rammohan, 2023-04-22 She could be your wife She could be your friend And chances are she could be you Twenty stories of the brilliant maddening exhausting lives of women inside and outside of our professional spaces Many of them are the women we call missing the women who broke academic records in a new India entered our workplaces with high hopes and then dropped out of the workforce A few of them are the intrepid pioneers of new ways of working building careers that are changing the very notion of how where and when work is done All of them are women who are charting their own unique paths and showing the rest of us that there is no one way to live and no one way to work In these stories we will listen to these women visit their dilemmas understand their choices and revel in their successes We will come away informed and inspired Pick this book up because you care Pick it up because these are good stories

The Language of Man: Learning to Speak Creativity Larry Robertson, 2016 Impressionism the iPhone democracy Uber when we think about creativity we most often think of things We also narrow in on the few those rare creators who seem to have something we lack These tendencies quickly take us off track perpetuating a myth and unknowingly pushing us further away from the possible Here s the truth Creativity is about the possible It s the seed of any human advancement ever made or yet to be imagined Most important and powerful of all creativity is a uniquely human capacity that each of us possesses including you The story of creativity is the story of who we are a story still unfolding It s time we come to understand it and learn how each of us can contribute our verse It s time we understand this language of man and learn to speak creativity The Language of Man provides more than needed understanding it offers a powerful framework for creating If you want to create or innovate this book is indispensable
