*Practitioner Research in College-Based Education* Shohel, M. Mahruf C., Mortby, Alex, 2024-08-29 Scholars and educators worldwide are grappling with the challenge of translating innovative research findings into tangible improvements within their classrooms. The chasm between theory and practice hinders the progress of education and leaves a wealth of untapped potential. The need for a process or approach to bridge these elements is urgent. *Practitioner Research in College Based Education* serves as this much needed resource for scholars seeking to overcome this enduring challenge. This innovative book offers a roadmap for academic scholars providing insights into practitioner led research across the global landscape of college based education. This book is more than a collection of theoretical frameworks; it is a solution oriented guide that illuminates the intricacies of research practices, methodologies, and their real world applications within the context of academic institutions.

**Teaching for Retention** Bruce M. Mackh, 2024-10-09 This book provides actionable insights and strategies to help address the student retention problem that has plagued higher education. Designed for faculty, this book reframes the common question "Why do students leave and how can we fix it?" to "What if we made sure that every student had a compelling reason to stay?" Drawing upon the Gallup Purdue Big Six six key experiences in undergraduate education that influence graduates well-being, *Teaching for Retention* outlines incremental action steps and strategies that every faculty member can implement on their own without seeking administrative approval or waiting for institutional initiatives. This exciting book is designed for any faculty member who wants to increase students' engagement in learning and motivation and ultimately support students in completing their degree programs successfully. Support material includes workshop facilitator notes, lesson plans, presentation slides, and participant workbook. These materials are available at [www.routledge.com](http://www.routledge.com)

9781032811833 *Writing in English for Internationalized Higher Education* Carolina Pelaez-Morales, Kyle McIntosh, 2025-07-18 This book is a user friendly resource designed to help teachers meet the needs of linguistically, culturally, geographically, and educationally diverse students in the contemporary college composition classroom. Pelaez Morales and McIntosh acknowledge that writing must be understood in context and address practical ways to support all writers of English regardless of background. Chapters cover rhetorical strategies, genre analysis, feedback, and assessment. Drawing from a number of theoretical frameworks including intercultural rhetoric, L2 writing, translingualism, and World Englishes, the book's practical classroom based suggestions will prepare pre and in service teachers to work in internationalized higher education contexts and to accommodate a range of knowledge and skill levels.
