Preparing Teachers for Deeper Learning at Trinity University Roneeta Guha, Steven K. Wojcikiewicz, 2019-05-28 The Trinity University case is one of seven that form the basis for the arguments and analyses presented in *Preparing Teachers for Deeper Learning*. Each case outlines the context, vision, and practices guiding a particular program's enactment and includes sample curricula, assessment, and feedback forms, and the program details that have contributed to its success. The cases are valuable reading for educators involved in developing teacher candidates who are self-directed, collaborative, social justice focused, and prepared to meet the needs of today's students and a changing society. *Professional Learning Communities by Design* Lois Brown Easton, 2011-07-14 This practical guide to the successful implementation of Professional Learning Communities is focused on the intentional learning and actions of teachers who wish to help struggling students succeed and narrow achievement gaps. The author includes a range of professional learning designs, protocols, and tools that can be applied to various PLC contexts. Each chapter includes an installment of a realistic and meaningful case narrative that describes what happens as faculty members work toward improving learning for all students.
