Build a business with relationships at the center, and you will seize the competitive edge in today's volatile job or talent market. People are quitting their jobs in droves, then coming back. Employees are demanding flexibility, while some leaders insist they return to the physical office. Remote work is incredibly convenient but complicated. The job market is always in flux, but one thing is for sure: the last few years have presented the greatest challenges the business world has ever faced. Don't freak out. If you accept the new reality and harness the incredible power of healthy, authentic relationships, you can seize the competitive edge in this new world of work. In *The Retention Revolution*, Keswin makes the case for completely rethinking the nature of work, workers, and workplaces.
