OECD Regional Development Studies Implications of Remote Working Adoption on Place Based Policies A

Focus on G7 Countries OECD,2021-06-22 COVID 19 has accelerated the digitalisation of working and social interactions Global lockdowns to contain the pandemic have forced firms and workers to perform a wide range of daily functions through virtual means This has led to greater uptake and acceptance of remote working which will likely remain in the post pandemic scenario [Handbook of Research on Inclusive Development for Remote Adjunct Faculty in Higher Education](#)

Dailey-Hebert, Amber,Mandernach, B. Jean,Donnelli-Sallee, Emily,2020-10-16 As the number of adjunct faculty teaching online courses remotely for their institutions continues to increase so do the unique challenges they face including issues of distance and isolation as well as problems pertaining to motivation time and compensation Not only are these higher education faculty geographically isolated from each other and their colleagues at flagship campuses but they also lack adequate institutional support and resources necessary to perform their roles As institutions continue to rely heavily on this group of under supported and undertrained instructors who teach the majority of online courses offered across the country institutions need models and strategies to tap the expertise and perspectives of this group not only to improve teaching and learning in online programs but also to retain this critical talent pool More consideration is needed to create institutional affinity and organizational commitment build community and create opportunities for remote adjunct faculty to be included as an integral component to their academic departments The Handbook of Research on Inclusive Development for Remote Adjunct Faculty in Higher Education is a comprehensive reference work that presents research theoretical frameworks instructor perspectives and program models that highlight effective strategies innovative approaches and unique considerations for creating professional development opportunities for remote adjunct faculty teaching online This book provides concrete practices that foster inclusivity among contingent faculty teaching online as well as tangible practices that have been successfully implemented from faculty developers and academic leaders at institutions who have a large population of and heavy reliance on remote adjunct instructors While addressing topics that include faculty engagement mentoring programs and instructor resources this book intends to support remote instructors in the post pandemic world It is also beneficial for faculty development professionals academic administrative leaders higher education stakeholders and higher education faculty researchers and students [Handbook of Research on Cross-Cultural Online Learning in Higher Education](#) Keengwe, Jared,Kungu, Kenneth,2019-04-01 Online learning has been touted as one way of reducing the cost of higher education while simultaneously addressing the increasing demand for educational opportunity and providing access to hitherto left out populations Many universities are defying tradition by offering completely online degrees for global participants As such research is needed to improve the design of online and virtual learning environments to ensure that they are inclusive and culturally adaptive for the global education marketplace The Handbook of Research on Cross Cultural

Online Learning in Higher Education shares paradigms perspectives insights challenges and best practices for the instructional design and delivery of cross cultural adult web based learning experiences and examines adult learner characteristics and competencies critical for the design of these applications The content within this publication covers trending topics including virtual learning culturally adaptive environments and online education and is intended for instructional designers faculty administrators students and researchers

The Secure Online Business Handbook

Jonathan Reuvid, 2006-06-03 The Web is an exciting but unstable place to do business The potential rewards are high but so are the risks and the effective management of these risks online is likely to be the greatest business enabler or destroyer of the next decade Information security is no longer an issue confined to the IT department it is critical to all operational functions and departments within an organization Nor are the solutions purely technical with two thirds of security breaches caused by human error management controls and processes Risk to the integrity availability and confidentiality of e business activities comes in many forms fraud espionage viruses spamming denial of service and the potential for damage or irretrievable loss is very real The Secure Online Business Handbook is designed as a practical guide for managers in developing and implementing appropriate strategies for online risk management The contributions in this fully revised and updated new edition draw on a wide range of expertise and know how both in IT and in other disciplines such as the law insurance accounting and consulting Security should not be an afterthought in developing a strategy but an integral part of setting up sustainable new channels of communication and business
