resource for living and working on your own terms while seeing the world *Digital Nomad Lifestyle in Dahab, Egypt.*
Current development on the job market Mohamed Abdelhady, 2021-02-08 Master's Thesis from the year 2020 in the subject
Sociology Work Education Organisation grade 1 3 University of Applied Sciences Fulda language English abstract This
research paper is a journey into the digital nomads world in Dahab Egypt and aims to reveal their imaginations and
ideologies identify their attributes and analyze their community's enhancement to their professional improvement Data were
gathered during a three month field study relying on an online survey including a questionnaire six interviews and a
netnography research method In a world where technology is increasingly intertwined with everyday life and work the
traditional profession is fading into the background while the digital age is unleashing unlimited opportunities and changes
in our working playing and living ways Thus more people adopt the digital nomad lifestyle to reach their personal and
professional goals heading to various innovation hubs worldwide especially in Asia Consequently it has led to increased
digital nomadism phenomenon studies however none of them addressed the phenomena in the Middle Eastern countries as
innovation hubs Hence given that Egypt is one of the most capable digital nomads host countries in the Middle East with
excellent weather and fascinating history a reasonable cost of living and developed sharing economy sectors especially
Dahab city it is worthy of examining the phenomenon in Dahab Egypt and tracking its existence **Digital Nomad** Tsugio
Makimoto, David Manners, 1997-12-29 Predicts that one of the main effects of current and future technological changes will
be to allow people to live and work on the move **Kingdom Of Ten Thousand Things** Gary Geddes, 2012-08-14 For thirty
years Gary Geddes has lived with his shadow self an obscure 5th century Buddhist monk named Huishen whose legend
shanghaied his vivid imagination Huishen originally from Kabul Afghanistan reportedly sailed from China to Vancouver
Island continuing southward to Mexico In a journey to recreate the travels of Huishen Geddes finds himself not only
struggling to cross the ancient barriers of the Himalayas the Taklamakan Desert the Pacific Ocean and the jungles of Central
America but also gingerly picking his way through Taliban landmines and Chinese and Zapatista politics From Afghan
refugees to Tibetan monks and the ghost of Quetzalcoatl in Mexico Geddes encounters a host of quirky characters and fast
friends none so compelling and insistent as the voice of Huishen who speaks to him mysteriously across the centuries But not
even Huishen could imagine the events of 9 11 which transform Geddes journey beyond a quest for an elusive monk into an
exploration of the ways in which we learn to interpret history Sacred profane and richly comic Kingdom of Ten Thousand
Things a Chinese term for life itself is a remarkable personal odyssey a cornucopia of adventure philosophy and hearsay a
book that will disarm and delight while provoking debate just who got here first anyway **Digital Nomad Visa**
