How To Use Social Network To Build A List

Social networks have made building and widening your social contacts extremely easy. In the past, you might have had to attend numerous functions and pay for gas, food, and clothing just to show up and hand out a few business cards that later got tossed. With online social networking, the costs of networking are zero, but the rewards are immeasurable. Creating a list of social contacts online can lead to opportunities worldwide, something that local networking could never do for you.
