[Affiliate Marketing and Blogging](#) Jim Stephens, 2021-05-06 Affiliate marketing is one way in which bloggers utilize their blog to generate revenue The amount of revenue generated by a blog featuring affiliate marketing links may vary significantly depending on the amount of traffic the blog receives as well as the compensation offered for the affiliate marketing Affiliate marketing essentially entails creating a link on the blog to another company's website The other

company then compensates the blog owner according to a previously agreed upon contract This compensation may be awarded in a number of different ways The blog owner may be compensated each time the advertisement is served each time a unique website visitor clicks through the advertisement or each time a blog visitor performs a desired action such as making a purchase or registering with the website This article will discuss some aspects of affiliate marketing which bloggers should understand including selecting opportunities carefully maximizing the income potential for these opportunities and understanding the requirements associated with these affiliate marketing opportunities
