Gaming the System David J. Gunkel, 2018-05-09 Gaming the System takes philosophical traditions out of the ivory tower and into the virtual worlds of video games. In this book, author David J. Gunkel explores how philosophical traditions put forth by noted thinkers such as Plato, Descartes, Kant, Heidegger, and Ick can help us explore and conceptualize recent developments in video games, game studies, and virtual worlds. Furthermore, Gunkel interprets computer games as doing philosophy, arguing that the game world is a medium that provides opportunities to model and explore fundamental questions about the nature of reality, personal identity, social organization, and moral conduct. By using games to investigate and innovate in the area of philosophical thinking, Gunkel shows how areas such as game governance and manufacturers' terms of service agreements actually grapple with the social contract and produce new postmodern forms of social organization that challenge existing modernist notions of politics and the nation-state. In this critically engaging study, Gunkel considers virtual worlds and video games as more than just fun and games, presenting them as sites for new and original thinking about some of the deepest questions concerning the human experience.

Destroying Demonic Tactics John Veal, 2024-12-03 As we advance, the enemy advances as well. And while nothing Satan does is new, he does modify his weapons to match the times we're in. So we too must modify our weapons in order to resist and defeat him at every turn. Exposing the enemy's eight updated tactics and strategies, leading prophetic voice Pastor John Veal offers a customized, hands-on battle plan for today. Complete with prophetic revelations and decrees, deliverance prayers, and supernatural declarations, he equips you with eight practical strategies to upgrade and supercharge your weapons. Stand for God in this day of evil; identify and combat the lies of our age; destroy our era's demonic strongholds; live out your divine assignment and destiny. When the Lord of Hosts teaches your hands to war, you will wrestle and prevail against the god of this age, ensuring your lasting peace, freedom, and victory in these perilous times. After reading this book and applying the strategies within, you will enter a season where the devil will need deliverance from you.

Influencer Marketing Joyce Costello, Sevil Yesiloglu, 2025-05-27 Influencers offer brands the ability to deliver the right communication and marketing messages to a specific target audience. This is one of the first textbooks to explore the phenomenon of influencer marketing and how it fits within marketing communications to build brands and their communities. Across four core sections, this book brings together the key theory and practical implications of this new marketing tool, how it works as part of communications campaigns, including how to select the right influencers and measure their success, the dark side of influencer marketing, and the legal and ethical framework. Readers will gain a comprehensive understanding of influencer marketing from the perspectives of influencers, agencies, brands, and platforms. This 2nd edition has been fully updated to refresh and add content on agency recruitment, brand-influencer partnerships, analysis of cultural differences and cross-border promotions in China, Egypt, India, Nigeria, Pakistan, and South Africa, influencer crisis and care, emerging regulations, sharenting, de-influencing, virtual influencers, the impact of AI, and metrics and

measurements for efficacy It also delves into regulatory impacts on influencers agencies and brands Interviews with influencers and agencies help the reader delve into lived experiences Underpinned by academic theory the book incorporates case studies questions platform considerations and ethical implications to stimulate discussion amongst students and show how the theory is applied in practice Influencer Marketing should be core and recommended reading for advanced undergraduate postgraduate and executive education students of Digital Marketing Advertising Marketing Communications Brand Management and Public Relations With its accessible style and practical content it is also highly valuable for Marketing Communications Branding and PR specialists Online resources include PowerPoint slides podcasts an instructor manual and test banks
