[First Date Tips for Men](#) Charlie Valentino, 2013-01-05

*First Date Tips For Men* is the complete dating psychology guide for men who're about to take out that special lady for the first time. This powerful book gives men the ability to completely captivate women on dates. This book is packed with techniques and strategies, some practical, others logistical. However, it is the psychological tips, the getting into the female mind to have her thinking about you even after the date is over, that really makes this book truly unique. Here's a few of the things you'll learn inside *First Date Tips For Men*: How to compliment her correctly to get her to open up to you. Establishing a connection. This will make her feel like she's known you a long time and is arguably the single most important thing a guy can achieve on a first date. Rapport breaking. This is powerful and will make her chase you. Qualification. This is the secret weapon. Few guys use qualification. This is how you stand out and get her to chase you for a long time by subconsciously placing yourself on a pedestal in her mind. Kino Escalation. Although you can have memorable first dates without it, Kino is important for taking things to the next level. Being a leader. Leadership during a first date is not something the girl should ever have to be doing. It's down to the man. Here's how to lead correctly and with little effort. Investment. Small and subtle ways of having your lady invest in the date can trick her brain into thinking you must be worth it. Learn how to properly have her invest in YOU with her time, effort, and even money. You value what you work for. And when it comes to dating, unfortunately, this holds true. Fortunately, we can use it to our advantage. Dealing with unexpected occurrences that will bring you out on top. How to arrange that all-important second date. And a whole host of other important first date questions. Charlie Valentino is the author of seven best-selling dating books for men.
