**Higher Education Implications for Teaching and Learning during COVID-19** Michael G. Strawser, 2022-03-02 Higher Education Implications for Teaching and Learning during COVID 19 provides different perspectives regarding the impact of COVID 19 on college teaching and learning and on students both collectively and individually Contributors argue that the pandemic forced a higher education reckoning as institutions around the world were forced to shut their physical doors and open up their online platforms in a wider capacity While these concerns are linked to a certain point in time there is much we can learn from collective institutional responses to the

pandemic induced pivots to virtual teaching and learning Scholars of higher education organizational communication and crisis communication will find this book particularly useful **Playing the Academic Game** Bryn

Williams-Jones,2025-02-04 Playing the Academic Game is the culmination of two years of weekly posts on the BrynStorming blog by Bryn Williams Jones professor of bioethics in the School of Public Health at the Universit de Montr al As an ethicist long interested by questions of justice an important motivator for this project has been Williams Jones need to respond to the injustices encountered in academia Many students and researchers fail in their studies or career progression not because they don t have the intellectual abilities or drive but simply because they don t know what s expected of them or how to best present themselves in a competitive environment That is they don t know the rules of the game and this isn t fair because the rules are rarely made explicit In this book which is organized into 5 major sections The Academic Career Path Professional Identity University Life Productivity and Creativity and Multiple Responsibilities and Mental Health Williams Jones shares 30 years of experience in academia to make explicit the often implicit norms and rules of academic life so that all who wish to can fairly play the academic game *Teacher's Guide with Key to Student's Experience Manual* Frances Avery Faunce,1939
