Mom Minus Dad: The Essential Resource Guide for Busy Adults with a Newly Widowed Parent Jamieson Haverkamp, 2008-05-09 Mom Minus Dad is the only resource guide available with more than 500 resources for adults who lose a parent and need to assist a newly widowed parent. The book provides readers with practical advice on ten major parent loss topics along with more than 500 valuable and time saving resources including Web sites, companies, government resources, U S laws, books, and nonprofit organizations to assist the approximately twelve million sons and daughters who lose a parent every year. Each section provides online and book resources and simple practical solutions to common problems from finding affordable counseling to building new budgets for the widowed parent to managing changing family dynamics. Each chapter reveals ideas, relevant insights from the author's personal experience, questions to consider, and additional resources to find specific assistance. The author of Mom Minus Dad gleaned intimate knowledge of balancing her own life with a newly widowed parent. Ms Haverkamp assisted her fifty six year old widowed mother in Virginia while still running her real estate business in California after the early unpredicted loss of her father to cancer. In her groundbreaking book Haverkamp shares how she and her sister both in their early thirties found success and managed struggles during their journey after their father's death. This is a reference guide grievers will refer to during the year after loss and years beyond.

The Complete Idiot's Guide to Being a New Dad Joe Kelly, 2013-04-02 Ask any guy who is expecting his first child and he's likely to tell you the same thing: he's absolutely thrilled to be a dad for the first time and he's also completely terrified. Most new dads don't know the first thing about dealing with a new baby and while mommy might be interested in more complex topics that range from breastfeeding to colic, most new daddies just want to know how not to screw it all up. The Complete Idiot's Guide to Being a New Dad is written to be both highly usable and practical, layered with a bit of encouraging wit in between. First time dads will learn the daddy essentials for caring for a newborn from what to expect when baby first arrives and changing those first diapers without a disaster to the basics of feeding and burping and getting baby to sleep so mom and dad can sleep too and how to help mommy as she heals and deals with the enormous changes that she's experiencing both mentally and physically. The Complete Idiot's Guide to Being a New Dad is the perfect guide for any new dad who needs to be armed with a little essential knowledge and a whole lot of encouragement. **Dad's Own**
