Together the authors will help you decide which skills to develop, build your network and make the progress you desire. Whatever your direction Job Moves will help you take the first step towards your dream job.

Steps Toward a Universal Patient Medical Record Michael McGuire, 2004. This book describes how an automated patient medical record could be built that could evolve into a universal patient record. Such a universal patient record would change medical care from a focus on short-term care to one oriented to long-term

preventive care. It would remove patient care from being the province of the single physician to that of the responsibility of many different healthcare providers possibly located anywhere in the world.
