HOW TO BE AN A+ MOM, PARTNER & ENTREPRENEUR Sylvie Tamanda, 2023-11-28  
EARLY REVIEWS Sylvie's book is the voice for so many mothers out there trying to find an identity of their own. Kanwal I really enjoyed reading your book and I was amazed at how amazing it turned out. I'm sure it took you months to compile your research, anecdotes, and real life stories to write this book on top of everything you already do. Saleem In short I think you have achieved exactly what you wanted to inspire, motivate, highlight a problem and provide solutions. Dierez This book is so amazing and I would love to translate it to German. Lydie When I first received the manuscript I was blown away by the intro. Well done Sylvie. So proud of you. Dina M I love every single chapter of the book. I got hooked when I started reading and I just couldn't put it down without reading the last page. Every woman has got to read this. Tracy T  
PRODUCT DESCRIPTION All women worldwide who struggle to balance parenthood, love, and a fulfilling profession should read *How To Be An A+ Partner Mom Entrepreneur*. Sylvie has experienced what most women do as a partner and mother of two young children, but she eventually found a way to make it all work. Women who are now having difficulties will discover all the answers to their queries, and those who have not yet stepped foot in these three worlds will have plenty of information to get them ready for what lies ahead. *HOW TO BE AN A+ PARTNER MOM ENTREPRENEUR* will show you how to succeed whether you're a mom who works from home, owns your own business, or you're just trying to have a fulfilling romantic relationship. Whether you want to be a better mom, a great romantic partner, a career trailblazer, or you're just looking for answers about what women are capable of or the types of businesses that are suitable for stay-at-home moms. In this book, you will find solutions to queries like:  
1. Advice for aspiring mom entrepreneurs  
2. What it means to be a successful mother and a loving partner  
3. How to juggle your relationship, motherhood, and career  
4. Why mothers become excellent businesspeople  
5. How to be an effective working mother, partner, and partner  
6. Advice on how to achieve success and be a great mother to your lovely children  
7. Tips for women entrepreneurs to be successful  
8. How other women have led successful lives. Even though juggling relationships, kids, and a career can be difficult, it's not wholly impossible if you have the correct knowledge, are persistent, and act. Sylvie Tamanda

**Mothers, Mothering, and COVID-19** Fiona J Green, Andrea O'Reilly, 2021-02-28  
There has been little public discussion on the devastating impact of Covid-19 on mothers or a public acknowledgement that mothering is frontline work in this pandemic. This collection of 45 chapters, and with 70 contributors, is the first to explore the impact of the pandemic on mothers' care and wage labour in the context of employment, schooling, communities, families, and the relationships of parents and children. With a global perspective and from the standpoint of single, partnered, queer, racialized, Indigenous, economically disadvantaged, disabled, and birthing mothers, the volume examines the increasing complexity and demands of childcare, domestic labour, elder care, and home schooling under the pandemic protocols, the intricacies and difficulties of performing wage labour at home, the impact of the pandemic on mothers' employment, and the strategies mothers have used to manage

the competing demands of care and wage labour under COVID 19 By way of creative art poetry photography and creative writing along with scholarly research the collection seeks to make visible what has been invisibilized and render audible what has been silenced the care and crisis of motherwork through and after the COVID 19 pandemic How to Manage Remotely Gemma Dale,2025-05-03 Non office based work is here to stay but everyone experiences it differently Find out how to make working at home and remote work work for you How to Work Remotely will help anyone adapt to home remote and hybrid working Suitable for homeworkers or the managers and leaders of homeworkers this highly practical book will address how to be successful and build a career while working remotely or away from the office Packed with practical exercises and top tips the book includes advice on wellbeing when working from home how to get organized how to start a new role when you re not in the office and suggestions on the best ways to be productive HR specialist Gemma Dale also explains about managing the performance of remote and hybrid teams and effectively making home working accessible for all colleagues The Creating Success series of books Unlock vital skills power up your performance and get ahead with the bestselling Creating Success series Written by experts for new and aspiring managers and leaders this million selling collection of accessible and empowering guides will get you up to speed in no time Packed with clever thinking smart advice and the kind of winning techniques that really get results you ll make fast progress quickly reach your goals and create lasting success in your career *Work from Home* Payal Kumar,Anirudh Agrawal,Pawan Budhwar,2021-12-02 In Work from Home researchers from around the world answer questions about the impact of working from home on employee motivation work life balance and employee engagement while making a seminal contribution to the field of HRM from a work from home perspective Building Tomorrow's Biomedical Workforce: Evaluation of How Evidence-Based Training Programs Align Skill Development and Career Awareness with a Broad Array of Professions Adriana Bankston,Rebekah L. Layton,Audra Van Wart,2025-08-27 Building the future STEM workforce requires robust federal investments to support the next generation of innovators as well as systemic changes to enable graduate and postdoctoral researchers to transition with confidence into the biomedical workforce This effort involves the transformation of the biomedical research enterprise and training environment at all levels but especially at the predoctoral and postdoctoral levels Innovative initiatives in education and training as well as career and professional development of biomedical trainees are necessary to build upon the robust biomedical workforce of today and create and sustain a diverse innovative and highly trained biomedical workforce of tomorrow An important aspect of supporting the biomedical workforce relates to changes within training and the research enterprise with opportunities for re imagining what STEM education should look like at different levels including providing agency for junior scientists in the field The future of the field should focus on inclusivity supporting trainees from different backgrounds and with diverse perspectives including but not limited to intersectional identities in race ethnicity gender sexual orientation first generation status and international talent in STEM This requires critical policy changes in order to

support the transition of biomedical research professionals into the labor market      The Future of Human Resource Management in a Multigenerational Workforce Vidhi Tyagi, Shikha Aggarwal, Pallavi Tyagi, 2025-10-06 As organizations navigate an increasingly complex and fast evolving business landscape The Future of Human Resource Management in a Multigenerational Workforce provides HR professionals researchers and business leaders with a comprehensive guide to understanding and managing the workforce of tomorrow      Education and society: New approaches for new challenges Genaro Zavala, Jorge Membrillo-Hernández, Andres Eduardo Gutierrez Rodriguez, 2023-11-02      *The Changed Life: How COVID-19 Affected People's Psychological Well-Being, Feelings, Thoughts, Behavior, Relations, Language and Communication* Ramona Bongelli, Alessandra Fermani, Daniela Raccanello, Rob Hall, Ilaria Riccioni, Morena Muzi, Roberto Burro, 2023-10-30 Covid 19 changed the lives of millions of people around the world The effects of the global pandemic on the physical and psychological health of individuals as well as on their behavioral habits relationships and the way they communicate do not seem to be only short or medium term but on the contrary appear to be long lasting In the same way that it is possible to use the term long covid to refer to the long term effects on the physical health of individuals who have contracted the virus so we think it is possible to use the expression psychological long covid to indicate the long term effects on the psychological health of individuals not only of those who have been infected but more generally of all those who have had to cope with social restrictions lockdowns distancing remote work and learning etc imposed by the pandemic At the same time many people demonstrated resilience as the capacity to cope with adverse events through positive adaptation
