Kamalagita Hughes, 2022-11-14 Written by Kamalagita Hughes The Mindful Teacher s Handbook How to step out of busyness and find peace is a practical guide to mindfulness that will empower teachers and school staff to take better care of their well being and find calm in the day to day hustle and bustle of the school setting When we re on an aeroplane the on board safety instructions tell us that in the event of an emergency we should put on our own oxygen mask first and only then help those around us The same is true for well being we need to look after ourselves in order to be a resource for others This is especially the case in busy high pressure environments such as our classrooms and schools where burnout is a real concern for teachers and leaders who all too often relegate their own self care to the bottom of the to do list The Mindful Teacher s Handbook is a practical and engaging resource to help everyone in schools bring mindfulness into their lives in a meaningful way Mindfulness practice offers simple straightforward strategies for finding peace and regaining perspective and has a solid

body of evidence that attests to its efficacy In this book Kamalagita Hughes provides a lively and engaging blend of top tips research evidence case studies guided meditations and suggested exercises for all both for those new to mindfulness and for those who want to refresh their practice Providing a thorough grounded understanding of mindfulness and its benefits for the school community the book explores the links between well being and education and sets out how improved staff and student well being can cultivate a better teaching and learning environment for all Kamalagita offers practical strategies that school staff can put into practice straight away both for their own well being and that of their pupils including insightful case studies on how best to bring mindfulness to your school Suitable for teachers teaching assistants and school leaders
