

6 TIPS FOR NEW REMOTE WORKERS

Working remotely is all over the news. At Cloud for Good, we've been working remotely for the past 10 years and are experts in the game! Follow our top 6 tips for being a successful remote worker.

USE YOUR WEBCAM

A consistent communication tool is the key to success for a remote worker. We love creating stronger connections through video meetings and instant messaging.

DEVELOP A ROUTINE

You may think remote workers sleep all day and watch TV. **WRONG.** As a remote worker, having a routine and set working hours increases productivity and reduces temptation.

HAVE A WORKPLACE

Just because you're working from home doesn't mean you can work from your bed. Having a designated working space will get your mind working and ready to tackle the day.

VIRTUAL COFFEES

Schedule time each week to connect and get to know your coworkers. Remote working may seem lonely, but with virtual coffees and "water-cooler" chat groups, employees stay connected.

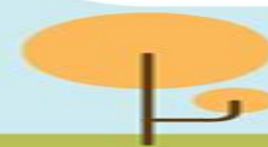

WEEKLY CHECK-INS

Company wide weekly check-ins or happy hours are great for connecting employees and getting to know one another without specifically talking about work.

JOIN A COMMUNITY

Having a healthy work life balance is extremely important for remote workers! We suggest joining a community outside of work like a book club, gym, or local hiking group.
