Reporting Humanitarian Disasters in a Social Media Age Glenda Cooper, 2018-10-26 From the tsunami to Hurricane Sandy the Nepal earthquake to Syrian refugees defining images and accounts of humanitarian crises are now often created not by journalists but by ordinary citizens using Twitter Facebook YouTube Instagram and Snapchat But how has the use of this content and the way it is spread by social media altered the rituals around disaster reporting the close if not symbiotic relationship between journalists and aid agencies and the kind of crises that are covered Drawing on more than 100 in depth interviews with journalists and aid agency press officers participant observations at the Guardian BBC and Save the Children UK as well as the ordinary people who created the words and pictures that framed these disasters this book reveals how humanitarian disasters are covered in the 21st century and the potential consequences for those who posted a tweet a video or photo without ever realising how far it would go

The Phoenix Encounter
Method: Lead Like Your Business Is on Fire! Ian C. Woodward, V. "Paddy" Padmanabhan, Sameer Hasija, Ram Charan, 2020-10-27 A radical new leadership strategy to transform business as we know it from a dream team of INSEAD professors and mega bestselling author Ram Charan The business landscape is littered with the wreckage of companies that crashed and burned when an apocalypse came in the shape of new competitive technologies upstart entrants demographic shifts and new world orders Who can feel safe in firestorm change The authors of *The Phoenix Encounter Method* don t advise safety In fact their method of leadership thinking requires you to imagine burning your business to the ground throwing yourself into a firestorm change and turning the upheaval to your organization s advantage It can then rise phoenix like from the ashes stronger and more powerful than ever Written with a sense of urgency and purposefully radical provocation *The Phoenix Encounter Method* represents the forward thinking of legendary business guru Ram Charan and

professors from the senior global leadership program of INSEAD one of the world's top graduate business schools The resulting methodology based on analysis of thousands of articles studies reports and academic and business practice was field tested in real life Phoenix Encounters conducted with more than fifteen hundred senior executives from startups and family businesses to legacy companies representing a broad range of industry and sectors in both developed and developing economies Whatever your sector or industry if you're responsible for your organization's ability to use change as a transformative opportunity you'll appreciate the dramatic impact The Phoenix Encounter Method will have on you your leadership and your organization *Entrepreneurship* Heidi M. M. Neck, Emma L. L. Murray, Christopher P. Neck, 2024

Branding that Means Business Matt Johnson, Tessa G Misiaszek, 2022-10-25 A revelatory guide on how to build sustain and grow a brand A brand is either beloved or it's noise We live in a fast paced world of immediate gratification where consumers can listen to any song watch any movie or read any article with the touch of a few buttons They are peppered with hyper personalized targeting for products that can be ordered seamlessly and arrive within hours And if your brand isn't the first to come to mind they'll click that button and it'll be delivered by someone else So how do you make sure your brand connects with consumers Branding that Means Business draws from the authors experience and business literature as well as psychology sociology and even anthropology to show readers that while any brand serves the business the mechanisms that enable it are all about connecting with people Readers will learn how to create maintain and operationalize their brand and think creatively about how to differentiate their product and most importantly make consumers fall in love with it

Handbook on E-marketing for Tourism Destinations Peter Varlow, 2008 The internet and other new technologies have changed the tourism industry in an unprecedented way and keeping pace has become challenging Online information is now one of the primary influences on consumer decisions in nearly all major markets For example 41 per cent of tourists arriving in Spain in 2007 had booked through the internet and in the United States the number of trips bought online exceeded those purchased offline Such changes are impacting and influencing the way destinations and companies manage and market themselves Advertising and Promotion Chris Hackley, Rungpaka Amy Hackley, 2021-01-27 Now in its fifth edition this popular textbook continues to provide a comprehensive insight into the world of advertising and promotional communications Unique in its approach the authors situate the key concepts of marketing communications from the perspective of advertising agencies and provide insight into what a career within an ad agency might be like Their critical approach grounded in up to date research allows the reader to develop an interdisciplinary understanding of marketing and advertising including business socio cultural media studies and consumer culture theory perspectives Along with striking full colour visual advertisements and illustrations new examples and case studies this fifth edition has been fully updated to include Two brand new chapters on Social Media Advertising and Digital Advertising Commentary on how the COVID 19 pandemic has and will impact advertising The evolving role of advertising agencies in the post digital era Emerging forms of

advertising and promotion including the role of influencers
