cover bad dates and why they fail we re going to really break them down in detail and explain what exactly is going on there And then we re going to analyze female psychology a little bit so that you can get a better idea of how a woman sees a date And then finally we re going to discuss the kinds of dates that you should be running and we re going to recommend some highly effective strategies that you should be implementing in order to make sure that your dates go amazingly well and have a happy ending Are you ready to boost your dating game Great Then let s get to it **MasterDate** George
