Comparison Girl for Teens Shannon Popkin, Lee Nienhuis, 2024-04-23 This is the book we wish we had when we were teens Comparison is such a deep struggle and the seeds are planted so young Learn to find your worth in Jesus not in what others say Bethany Beal and Kristen Clark authors of *Girl Defined* God's Radical Design for Beauty Femininity and Identity We get it comparison can feel like a never ending struggle The whole measuring up to friends and influencers on social media It's a lot Everyone has their own idea of what teen girls should be like and knowing who to listen to is overwhelming Comparison Girl for Teens is your go to guide for navigating these tricky waters Join best selling authors Shannon Popkin and Lee Nienhuis as they team up to help you break free from the comparison trap and embrace the incredible life that Jesus has in store for you Get ready for a journey of self discovery with forty readings packed with quizzes they're actually fun evaluations and discussion questions Plus there are plenty of heartwarming stories to keep you company along the way Whether you've been walking with God for a long time or you're just exploring your faith we invite you to discover new freedom confidence and influence by adopting Jesus's free mindset in this crazy measure up world Ready to dive in Let's do this Comparison Girl for Teens graciously points to the only one who can cure all our comparison issues and insecurities Jesus Heather Creekmore author of several books including *Compared to Who* Shannon and Lee have written a beautiful book filled with relatable stories personal prayers and on point teaching It's a rich gift to any teen girl who's ready to live free Paula Hendricks Marsteller author of *Confessions of a Boy Crazy Girl* *Cultivating Diversity and Inclusion* Paula Saine, 2024-07-01 *Cultivating Diversity and Inclusion* Using Global and Multicultural Children's Literature in Grades K 5 Second Edition shows educators how to assist students in cultivating and appreciating diversity and inclusion in K 5 classrooms This text offers new children's book titles from across the world in each chapter advances to grades four and five engages students with rich cultural language experiences and provides ways to incorporate apps and social media activities in the classroom iParent Neha J Hiranandani, 2024-02-05 Born into a digital wonderland our children are practically mini hackers right from the crib Most of them were handed a device before they could walk they clicked before they took their first bite and scrolled before they said their first words But living online is a giant uncontrolled experiment Cyberbullying Internet addiction body dysmorphia and other digital villains lurk in the shadows How can parents ensure their kids navigate the digital world safely when there's no rulebook Neha J Hiranandani's *iParent* comes to the rescue This book decodes India's app generation and elevates the discussion beyond these kids and their phones Based on research candid conversations and personal reflection this timely book is a witty meditation on parenting in a digital world Hilarious and informative in equal measure *iParent* empowers you to connect with the new generation and guide them to cyber safety without being a helicopter parent No judgement no preaching **Adolescent Use of New Media and Internet Technologies** Gordon P. D. Ingram, 2023-03-31 This book engages with contemporary and often polarizing debates surrounding the risks of adolescent

use of digital media and internet technologies By drawing on multiple research studies the text synthesizes current understandings of the impacts of social network use online gaming pornography and phenomena including cyberbullying cyberstalking and internet addiction to develop recommendations for the effective identification of at risk youth as well as strategies for informed communication about online risks and opportunities It shows how media discussion of risks to children and teenagers from new technology is highly emotive and often exaggerated rooted in the moral panic surrounding new cultural practices that young people engage in but which adults do not understand Online risks are thus conceptualized as centering on three areas specific to adolescence which have undergone radical changes due to new internet technology These include young people's identity the types of content that are accessed and social relationships The author shows how these matters stem from the potential of new technology to establish new interpersonal connections emphasizing how it brings opportunities as much as risks As such he provides a uniquely balanced discussion of potential dangers while also emphasizing the opportunities for social academic and personal growth which new technologies afford young people It will be indispensable for researchers and clinicians interested in assessing levels of online risk as well as scholars and educators with interests in cyberpsychology social psychology cyber culture social aspects of computing and media and adolescent development

Small By Design David Feldman, 2022-05-10 Small companies create value in unique ways often outperforming much larger competitors In *Small by Design: The Entrepreneur's Guide For Growing Big While Staying Small* entrepreneur David Feldman reveals how small businesses can make a major impact with a minimalist mindset The value a company creates is not a function of its size and according to Feldman the clutter of conventional growth often crowds out actual impact It's far better to assemble the truly essential resources and learn to apply them well all while staying deliberately intentionally and proudly small by design *Small by Design* is not for companies hoping to appear bigger than they are it's about becoming confident in their small size and being proud of that choice Staying small often lends itself to a competitive advantage and though this doesn't happen automatically neither does mimicking the strategies of multinationals

The Myth of Good Christian Parenting Marissa Franks Burt, Kelsey Kramer McGinnis, 2025-10-14 Christian parents want to raise their kids in a godly way But what if families have been sold promises that biblical parenting can never deliver Christian parents want to raise godly children but what happens when popular biblical parenting methods cause more harm than good *The Myth of Good Christian Parenting* exposes how the Christian parenting industry has sold families false promises for five decades leaving a trail of religious trauma damaged relationships and lost faith in its wake This groundbreaking analysis offers historical analysis traces the development of the Christian parenting industry and its influential figures who built parenting empires research based insights features survey data from adult children and parents affected by authoritarian parenting methods theological examination analyzes how popular teachings on authority compliance corporal punishment and control diverge from Jesus's teachings and encouragement for a better future equips

readers to pursue a new path of freedom and mutual respect within their families Marissa Franks Burt and Kelsey Kramer McGinnis combine rigorous research with compelling storytelling to reveal how evangelical parenting culture has shaped and often strained families from the 1970s to today Drawing on history sociology theology and extensive survey responses from adult children and parents they trace the rise of Christian parenting empires that idealize obedient children and perfect households while leaving real families feeling inadequate They also examine the lasting damage caused by popular Christian parenting teachings including loss of faith estrangement religious trauma and deep regret for older parents and provide hope for healing Whether you re a Christian parent questioning traditional methods an adult recovering from a strict religious upbringing or a church leader seeking healthier family ministry approaches this book equips you to pursue mutual respect emotional safety and authentic faith within your family relationships
