Whether you are new to digital research or are exploring a new platform this book equips you with tools to navigate the evolving digital landscape and conduct rigorous studies in the digital age The New (Ab)Normal Yossi Sheffi,2020-10-01 Much has been written about Covid 19 victims how scientists raced to understand and treat the disease and how governments did or did not protect their citizens Less has been written about the pandemic s impact on the global economy and how companies coped as the competitive environment was upended In his new book The New Ab Normal MIT Professor Yossi Sheffi maps how the Covid 19 pandemic impacted business supply chains and society He exposes the critical role supply chains play in helping people governments and companies to manage the crisis The book draws on executive interviews pandemic media coverage and historical analyses Sheffi also builds on themes from his books The Resilient Enterprise 2005 and The Power of Resilience 2015 to enrich the narrative The author paints a compelling picture of how the Covid 19 virus is changing many facets of human life and what our post pandemic world might look like This must read book helps companies to redefine their business models and adjust to a fast evolving economic landscape The stage is set In Part 1 of the book What Happened the author looks at how companies fought to mend the global economic fabric even as the virus ripped more holes in it Part 2 Living with Uncertainty views the crisis through a supply chain risk management lens derived from Yossi Sheffi s previous books This perspective shows how companies create corporate immune systems to quickly recognize and manage large scale disruptions The ongoing pandemic is creating a new normal in life work and education covered in Part 3 Adjustment Required Consumer fears about the contagion as well as government mandates require businesses in industries such as retail hospitality entertainment sports and education to create safe zones for workers and customers Many elements of the book especially in Part 4 Supply Chains for the Future show how the virus accelerated preexisting trends in technology adoption China was the epicenter of the pandemic it also was the first nation to be disrupted and recover Part 5 of the book Of Politics and Pandemics explains why reports that companies are abandoning China in favor of other offshore manufacturing centers do not reflect reality Fundamentally The New Ab Normal is about businesses trying to create a better future in a time of extreme uncertainty a point emphasized in Part 6 The Next Opportunities The outlook is not necessarily gloomy The advance of technology is accelerating a trend that can level the playing field between small and large companies Nimble small

businesses are using a growing array of off the shelf cloud computing and mobile apps to deploy sophisticated technologies in their supply chains and customer interfaces The New Ab Normal Another new normal is working from home Remote working enables individuals to live anywhere and companies to recruit talent from anywhere Education especially higher education faces a major disruption and major opportunity that is likely to shake the high cost model of in person education in favor of online or hybrid education Regrettably the book recognizes one trend accentuated by Covid 19 the growing inequality and anticipates that the new normal will be more stratified **Work Your Way Around the World Susan** Griffith, 2017-08-01 Travelling the world is something everyone should do But a trip of a lifetime does come at a cost and if you don't want to wait years saving then Work your Way Around the World is the book for you For summer jobs volunteering or jobs abroad Work Your Way Around the World is the number one guide for the self funded world traveller providing all the information you need to successfully find work abroad Choose from hundreds of potential job opportunities from the everyday to the utterly extraordinary from busking in Paris to marine conservation work in Madagscar Also includes all the essential practical advice you need to safely travel the globe such as work visas medical information and permits Find inside Hundreds of job opportunities across the globe Brand new chapter offering vital advice on taking a gap year Insightful case studies from travellers who have been there and done it Advice for applying and securing jobs abroad Culture and lifestyle information by country Essential guidance on safe areas to travel and which places to avoid Packed with hundreds of irresistible opportunities abroad Work Your Way Around the World is the globetrotter's essential handbook offering all you need to know to help plan your trip and successfully fund your way around the world Forthcoming Books Rose Who's who in Finance and Business, 2004 The British National Bibliography Arthur James Wells, 2001 Arny,2001-08 Editor & Publisher International Year Book, 2000 The encyclopedia of the newspaper industry Kliatt Young Adult Paperback Book Guide, 1995 PC Magazine ,2002-07 American Journalism Review, 1994 Screen Digest ,1992
