Job Moves Ethan Bernstein, Michael B. Horn, Bob Moesta, 2024-11-19. Have you ever asked yourself whether your career is moving in the right direction? Finding the right next job isn't just a flip of a coin. With the right strategy and mindset you can shape your future. Job Moves presents a radical new vision of career development. Drawing upon their research from the Harvard Business School, the authors offer nine practical steps to transform your career by helping you understand your true priorities, the experiences you hope to gain, what trade-offs you're willing to make and how to learn if a new job will deliver before switching. Together the authors will help you decide which skills to develop, build your network and make the progress you desire. Whatever your direction Job Moves will help you take the first step towards your dream job.

Steps Toward a Universal Patient Medical Record Michael McGuire, 2004. This book describes how an automated patient medical record could be built that could evolve into a universal patient record. Such a universal patient record would change medical care from a focus on short-term care to one oriented to long-term preventive care. It would remove patient care from being the province of the single physician to that of the responsibility of many different healthcare providers possibly located anywhere in the world.
