Cultural Intelligence in the 21st Century Stephan M. Branch,2023-11-21 Discover how leadership cultural intelligence and inclusion coalesce to create preeminent global leaders and organizations while driving revenue inclusion and ESG If you are a CEO global leader or part of a global organization you can revolutionize every part of your business by raising your cultural intelligence Cultural Intelligence in the 21st Century explores nine crucial cultural competencies that will transform every part of your business including how you drive inclusion revenue and ESG how you lead global teams for better results how you increase sales and operational performance how you communicate across cultures how you build relationships and trust in other countries In recent years organizations have become fixated on raising Environmental Social and Governance ESG because they recognize that the Millennial and Z generations are largely focused on investing in companies that better align with their personal philosophies Global 2000 companies know this and are redirecting much of their focus to ESG in order to make their organizations more attractive to employees and investors The S in ESG isn t only about social equity it s about understanding the importance of how other countries conduct business Did you know you can solve both at the same time while having a transformative financial impact on your organization How can you build a globally inclusive culture in an organization where everyone feels seen heard and respected if you don t understand how cultures communicate build relationships and trust and show respect differently You can learn the cultural competencies to do business in other countries in order to create a more inclusive environment within a global organization which qualifies as a metric within the ESG rating Cultural Intelligence in the 21st Century gives you the competencies you need to do this

Tourism Recovery Based on Digital Nomadism Post-COVID-19 in Ubud Bali Fransisco Situmorang,2022-05-30 The COVID 19 pandemic is the worst

crisis and historical record for the global tourism sector since the 1950s Destinations that rely heavily on the tourism sector will face this pandemic s extraordinary impact such as Bali which experienced a significant depreciation of economic growth However the COVID 19 pandemic is also the right opportunity and momentum to redesign tourism development more sustainable to overcome the overtourism issue in Bali Tourism recovery efforts must be carried out immediately by prioritizing product diversification and increasing destinations value and quality according to tourism development trends such as digital nomadism Digital nomadism as a lifestyle allows individuals to work regardless of location and take advantage of that freedom to travel worldwide The practice of digital nomadism has developed rapidly pre pandemic in the Ubud Tourism Area Bali and it will increase further due to the digital transformation of human life during the COVID 19 pandemic The Ubud Tourism Area recovery as a digital nomadism destination must be a priority consideration by the government tourism entrepreneurs and local communities in entering the post normal tourism period
