Understanding Media Psychology Gayle S. Stever, David C. Giles, J. David

Cohen, Mary E. Myers, 2025-07-23 Understanding Media Psychology is an authoritative introductory textbook on the growing field of media psychology. Providing an overview of topics in the field, it summarizes key concepts and theories and considers the importance of media psychology in today's society. The second edition of this bestselling textbook has been fully updated to reflect the changing landscape of media psychology. The new edition features a brand new chapter on news and political media as well as increased focus on AI and new forms of social media. It covers core areas such as positive media psychology, audience research, and the effect of gaming, violence, advertising, and pornography, critically engaging with contemporary discussions around propaganda, fake news, deepfakes, and how media and health psychology interacted during the COVID-19 pandemic and beyond. Written by a team of expert authors, this book will help readers understand the structures, influences, and theories around media psychology. Particular care is also given to addressing the interaction between issues of social justice and the media as well as the effects media has on both the members of marginalized groups and how those groups are perceived. A student website and instructor resources provide further ways to engage with the content and support teaching and learning. Containing a range of pedagogical features throughout to aid teaching and student learning, including vocabulary and key terms, discussion questions, and boxed examples, this is an essential resource for media psychology courses at the undergraduate and introductory master's levels globally.

Make Money on YouTube Dr. Richard Brown,

Turn Your Passion into Profit: Build, Grow, and Monetize Your YouTube Channel Like a Pro. Have you ever wondered how YouTubers make real money and how you can do the same? This book reveals the step-by-step system behind successful creators who turn videos into a full-time income. Whether you're just starting out or already have a channel, this is your complete roadmap to earning on YouTube in 2025 and beyond. Inside, you'll discover: How to Find Your Profitable Niche: Choose the perfect category because YouTube pays based on the value of your topic. For example, finance and tech channels earn more than entertainment or gaming. Language Country Secrets: Understand how your content, language, and target region impact your earnings (CPM and RPM). Learn how English-speaking audiences in high CPM countries like the USA, UK, and Canada boost ad revenue. YouTube SEO Algorithm Mastery: How to rank higher, get more views, and attract loyal subscribers. Monetization Methods That Actually Work: AdSense, sponsorships, affiliate links, memberships, and merchandise explained in simple, practical steps. Content Strategy Consistency Plan: Script and produce videos that people click, watch, and share. Advanced Tools & AI Secrets: Discover how automation, analytics, and AI can save time and scale your income. Avoid Burnout, Build Long-Term Success: Create a sustainable brand, not just viral moments. Whether your dream is to earn side income or go full-time, this guide gives you the proven strategies, insights, and mindset you need to succeed on YouTube, even in the most competitive niches. Make Money on YouTube is more than a tutorial; it's your blueprint for building freedom, influence, and financial independence through the world's biggest video platform.
