The Perennials Mauro F. Guillén, 2023-08-22 Get the best from accelerating social change with the new book from the bestselling author of 2030 and acclaimed thought leader Kirkus Mauro Guillén Adam Grant praises how the book invites us to rethink our careers our families and our future plans Find out why business leaders and bestselling authors around the world are calling the book sharply relevant and necessary William P. Lauder insightful and deeply researched Richard Florida and A must read Mohammed A. El-Erian In today's world the acceleration of megatrends increasing longevity and the explosion of technology among many others are transforming life as we now know it In The Perennials bestselling author of 2030 Mauro Guillén unpacks a sweeping societal shift triggered by demographic and technological transformation Guillén argues that outmoded terms like Boomers Gen X Millennials and Gen Z have long been used to pigeonhole us into rigid categories and life stages artificially preventing people from reaching their full potential A new postgenerational workforce known as perennials individuals who are not pitted against each other either by their age or experience makes it possible to liberate scores of people from the constraints of the sequential model of life and level the playing field so that everyone has a chance at living a rewarding life Guillén unveils how this generational revolution will impact young people just entering the workforce as well as those who are living and working longer This multigenerational revolution is already happening and Mauro Guillén identifies the specific cultural organizational and policy

changes that need to be made in order to switch to a new template and usher in a new era of innovation powered by the perennials International Arbitration Ben Beaumont, Alexis Foucard, Fahira Brodlija, 2022-12-09 In the spirit of Pieter Sanders's classic *Quo Vadis Arbitration* 1999 this far reaching overview of the state of international arbitration thoroughly assesses the current condition and prospects of arbitration and conciliation with practical insightful solutions to the new and emerging problems confronting arbitration practice today A distinguished group of internationally renowned arbitrators academics and lawmakers elucidate the ubiquitous evolution towards increased technical complexity the need for multi focal and multi cultural approaches and the tension between desirable simplicity and indispensable precision that have come to characterize current arbitral practice and procedure Among the topics covered are the following remote hearings reliance on digital technology cost of arbitration in a post COVID world extension of the arbitration agreement to non signatories tailoring of ADR techniques to suit the needs of micro small and medium sized enterprises jurisdictions emerging as new arbitration hubs e.g. Delaware the Caribbean Scotland evolution of a code of conduct for adjudicators in investment disputes and the reform of bilateral investment treaties As Sanders's 1999 book did at the time the chapters identify specific improvements and refinements to the entire system as it has developed over recent decades The book will be a go to resource for the arbitration community worldwide as a stocktaking of current and ongoing trends in international arbitration It will enthuse the many lawyers judges legislators and businesspeople to whom it is addressed **Self-regulated**
