Beyond Hybrid Working Andy Lake, 2023-12-22

Much more than a book about flexible working, *Beyond Hybrid Working* is an engaging and practical management book to help organisations rethink all aspects of traditional work in the emerging post pandemic landscape and reap the benefits from working smarter. Many organisations that had rapidly improvised and implemented Hybrid Working now want to take a more strategic approach. Smart Working is being adopted across sectors from technology companies through the financial services sector to the public sector. Andy Lake has supported implementations in businesses and public sector organisations for nearly 30 years, including advising the UK Cabinet Office. He sets out a strategic, comprehensive and integrated approach to Smart Working in the context of new possibilities for working on a more distributed basis and the impact of new AI based technologies coming over the horizon. He also explores the possibilities for greater flexibility for workers with hands on and site specific roles. Featuring detailed case studies, the book takes a pragmatic and evidence based approach, covering different sectors and types of work and presents

practical techniques for implementing change This is essential reading for anyone involved in transformational workplace change and increasing the efficiency of organisations It is written for managers who need to deliver change and professionals and researchers in the fields of People Workplace and Technology     [Remote Work Guide](#) Evelia Finster,2021-03-30 In the new and changed world where everyone is working remotely it s essential you have a guide on how to work from home effectively and be on the top of your game despite the many distractions In this Job Hunting Handbook you will discover Over 100 ways you can have a successful career working from the comfort of your own home All skill levels and touches on nearly every sector of gainful employment that can be performed remotely From highly skilled medical professionals to someone just now entering the workforce with little to no prior experience there s a job for you Chapters divided by how you would go about finding a job you love What work you might want to do establishing what you re good at and general advice about job hunting and working from home Practical guidance for finding that job in the real world Places to find freelance or gig work and suggesting some job opportunities you might take advantage of working from your house as a base of operations And so much more This remote jobs guide is essential for all remote workers and people planning to start working from home
