- Chapter 1: your 5 most harmful weaknesses that can affect your business. Learn which weaknesses can ruin your business endeavors and how to prevent it from happening. Even with the most genius business idea and perfect execution, you can fail when exhibiting one of these weaknesses.
- Chapter 2: how to lead your company as an introvert. Hint: many successful entrepreneurs, including extroverts, do something entirely different than most people. And it's introvert-friendly, too.
- Chapter 3: 5 key attributes of a good business partner for an introvert. If you don't want to go it alone, learn how to choose the right partner. Just one of these traits can either make or break your partnership.
- Chapter 4: how to promote yourself and network as an introvert. Most introverts possess a powerful skill that can help them promote their business without networking the old-school extrovert-friendly way.
- Chapter 5: 5 attributes of introvert-friendly businesses. Before you launch a new venture, ask yourself how well it fits your personality. Don't leave this question for later unless you want to find yourself trapped in a business that sucks your soul.
- Chapter 6: 9 introvert-friendly business models to consider. Learn what types of ventures fit the introverted personality best and increase your chances of success.
- Chapter 6: 5 introvert-friendly ways to come up with business ideas. If you're yet to come up with a business idea, you'll learn how to research potential opportunities and find out if they have legs. The process of validating a business before you start it can save you thousands of dollars and hundreds of hours.
