Armstrong's Handbook of Human Resource Management Practice Michael Armstrong, Stephen Taylor, 2023-01-03
Armstrong's Handbook of Human Resource Management Practice is the definitive resource for HRM students and professionals helping readers understand and implement HR to align with business needs. This book provides detailed coverage of all areas essential to the HR function such as employment law, employee relations, learning and development, performance management, and reward management. It also covers the HR skills needed to ensure professional success including leadership, managing conflict, interviewing, and using statistics. It is illustrated throughout in full colour and has a range of pedagogical features to consolidate learning such as source review boxes, key learning points, and case studies from international organizations such as IBM, HSBC, and Johnson and Johnson. This fully updated 16th edition includes new chapters on managing remote workers and developments in digital human resource management practices. There are also updates to reflect the changes throughout the HR function such as performance leadership, smart reward, and employee wellbeing. Armstrong's Handbook of Human Resource Management Practice is suited to both professionals and students of undergraduate and postgraduate degrees. It is also aligned with the Chartered Institute of Personnel and Development (CIPD) profession map so can be used by those studying the Associate Level 5 and Advanced Level 7 qualifications. Online supporting resources include comprehensive handbooks for lecturers and students, lecture slides, all figures and tables, toolkits, and a literature review, glossary, and bibliography.

Time Wise Amantha Imber, 2023-04-25 Discover productivity secrets from the world's foremost thinkers, leaders, and entrepreneurs. High achievers most definitely approach their workday differently. This book gives access to the secrets and strategies they've found for making things work. From Wharton Professor Adam Grant's trick to get into flow when he starts work, Google's Executive Productivity Advisor Laura Mae Martin and her inbox shape shifting, to Cal Newport's multiple Kanban boards, this isn't your typical productivity book. You know the basics and have heard the 'swallow the frog' platitudes. Time Wise goes deeper and unveils some of the more counterintuitive but effective time management methods that boost your productivity. Some of the high achievers featured along with their personal strategies include Adam Alter, setting systems instead of goals; Rita McGrath, who consults her own personal board of directors; Jake Knapp, who focuses on the one important thing of the day; and Oliver Burkeman's approach to beating the to-do list. This book will allow you to master the superpower of using your time wisely to achieve success in business life and beyond. Praise for Time Wise: 'This charming book will save you more time than it takes to read.' Adam Grant, New York Times bestselling author of Think Again. A must read. This book will transform how you approach your workday. Greg McKeown, New York Times bestselling author of Effortless and Essentialism. Read this book. Jake Knapp, bestselling author of Sprint and Make Time. Bursting with actionable ideas on how to use your time better. Nir Eyal, author of Indistractable.
