***Freelancing with AI* Kerim Tumkaya,** Freelancing has never been more exciting or more competitive. Platforms like Upwork and Fiverr are overflowing with talented people fighting for the same projects. Clients are overwhelmed; proposals get ignored, and many freelancers are left frustrated. This book gives you the edge. *Freelancing with AI* is a practical playbook for using Artificial Intelligence to stand out, win more clients, and earn more money without working longer hours. Inside, you'll learn how to write irresistible proposals in minutes that actually get responses, transform your profile and portfolio into client magnets, communicate with confidence even if English isn't your first language, deliver projects faster and at a higher quality using AI-powered workflows, scale your income with smart strategies, and AI-driven add-ons. Each chapter includes real case studies, checklists, action steps, and ready-to-use AI prompts you can copy and paste directly into ChatGPT or other tools. Whether you're a new freelancer struggling to land your first client or an experienced professional tired of competing on price, this book shows you how to leverage AI to work smarter, earn more, and build lasting client relationships. Stop guessing. Start winning. Your next client is closer than you think.
