English Composition As A Happening Geoffrey Sirc,2002-04

Contemporary Composition is still inflected by the epistemic turn taken in the 1980s convincing me that we need to remember what we ve forgotten namely how impassioned resolves and thrilling discoveries were abandoned and why I d like to retrace the road not taken in Composition Studies to salvage what can still be recovered I want to inspect the wreckage in order to show what was the promise of the Happenings for Composition as well as the huge gray longueur of its pale replacement Eighties Composition In so doing I hope to begin a reconfiguration of our field s pre and after history What happened to the bold kinky promise of writing instruction in the 1960s The current conservative trend in composition is analyzed allegorically by Geoffrey Sirc in this book length homage to Charles Deemer s 1967 article in which the theories and practices of Happenings artists multi disciplinary performance pioneers were used to invigorate college writing Sirc takes up Deemer s inquiry moving through the material and theoretical concerns of such pre and post Happenings influences as

Duchamp and Pollock situationists and punks as well as many of the Happenings artists proper **The Utne Reader** ,1995

Marketing Library Services ,2007 **The Meaning of Myth in Uncertain Times** Evelien Bracke,2025-12-29 This book examines how ancient mythology forms part of the stories we tell ourselves about today s uncertain times not only in popular culture but also in sociocultural and political debates It particularly explores the ways in which classical myths shape how our modern secular societies think about the interconnected geopolitical technological and ecological issues we are facing and our potential futures Classical myths like those of Achilles Medea and Odysseus are everywhere from films and novels to social media and games But how and why are we still fascinated with them particularly now Can these strange and often painful stories from societies so radically different from our own offer us genuine insights today This expanded English edition of Evelien Bracke s award winning Dutch book *Leidraad door het labyrint* explores how and why Greek and Roman myths despite their ancient origins are surprisingly meaningful in these times of uncertainty Bracke offers a contextualization and literary analysis of classical mythology looking at both texts and visual media This allows readers to gain a better understanding of how people draw inspiration from the past in their attempt to create a better future and how these stories provide both collective and individual guidance in navigating the turbulent 21st century *The Meaning of Myth in Uncertain Times* is suitable for students scholars teachers and general readers interested in mythology and ancient Greek and Roman history and culture providing insights that are relevant to the challenges we all face today **Films and Other Materials for Projection** Library of Congress,1958 *The Hidden Psychology of Social Networks: How Brands Create Authentic Engagement by Understanding What Motivates Us* Joe Federer,2020-09-15 From the former Head of Brand Strategy at Reddit comes a proven and thought provoking approach to the digital economy and how brands can create authentic engagement that is rooted in the fundamental motivations behind human psychology Leading marketing practitioner and thought leader Joe Federer draws on evolutionary biology anthropology neuroanatomy and psychology as well as more than a decade of hands on experience to explain why people act so differently in various online spaces and what they are seeking from participating in each one With a framework based on Freud s Id Ego and Superego model of the human psyche he demonstrates how the internet is a digital reflection of the collective human psyche and how different social networks correspond to different mindsets platforms like Reddit to the unfiltered Id Facebook and Twitter to the managed Ego and Instagram to the ideal Superego In the same way you behave differently when you re home alone out with friends communicating with family or interacting with coworkers people act and express themselves differently in these various online spaces Context matters Understanding this will enable you to develop and execute effective engagement strategies to reach your target audiences on each social network Learn how to create content that drives sharing and word of mouth how brands can fit natively into different types of social channels how to balance branded social presences across different networks why authenticity will only grow in importance to consumers Fascinating and deeply compelling *The Hidden*
