**Intelligence and the Future of Work** Olatunji David Adekoya,Chima Mordi,Hakeem Adeniyi Ajonbadi,2024-08-22 The rise of artificial intelligence is having a profound impact on human resource management as AI is being used to automate a wide range of HR tasks and functions from recruiting and onboarding to performance management and compensation However the impact of AI on HRM is not evenly distributed Due to a variety of factors the Global South is lagging behind the Global North in terms of AI adoption creating a widening disparity in the effectiveness and efficiency of HR operations This edited book explores HRM artificial intelligence and the future of work in the Global South It addresses key elements of how technology is transforming the workplace and people management including HR automation robotisation big data analytics smart systems virtualisation AI machine learning and the Internet of Things The chapters offer a collection of cases from various Global South countries draw on various types of research empirical review papers conceptual and theoretical and incorporate contextual issues such as technology politics culture ethics and economics Despite the relatively slow adoption of AI in the Global South compared to developed nations its potential impact on the future of work remains significant particularly in shaping the role of HR as a bridge between technology and human resources This book will be a valuable resource for scholars students and policymakers interested in the future of work in the Global South as it brings together critical insights from scholars and practitioners from the region providing a much needed perspective on this

important issue      **Geek Girl Rising** Heather Cabot, Samantha Walravens, 2017-05-23 I don't know much about tech but I do know that these pioneer women are pretty dope. *Geek Girl Rising* gives a much needed voice to the fearless women paving an important path in the tech world while forming a lasting sisterhood along the way. Kelly Ripa meets the women who aren't asking permission from Silicon Valley to chase their dreams. They are going for it, building cutting edge tech startups, investing in each other's ventures, crushing male hacker stereotypes and rallying the next generation of women in tech. With a nod to tech trailblazers like Sheryl Sandberg and Marissa Mayer, *Geek Girl Rising* introduces readers to the fearless female founders, technologists and innovators fighting at a grassroots level for an ownership stake in the revolution that's changing the way we live, work and connect. Readers will meet Debbie Sterling, inventor of GoldieBlox, the first engineering toy for girls which topples the notion that only boys can build. Peek inside YouTube sensation Michelle Phan's iPSY studios where she is grooming the next generation of digital video stars while leading her own mega e-commerce beauty business and tour the headquarters of The Muse, the hottest career site for millennials and meet its intrepid CEO Kathryn Minshew who stared down sexism while raising millions of dollars to fund the company she co-founded. These women are the rebels proving that a female point of view matters in the age of technology and can rock big returns if you have a big idea and the passion to build it.
