Inquiries of Pedagogical Shifts and Critical Mindsets Among Educators Gierhart, Aaron R.,2024-02-19

Pedagogical research faces a challenge in acknowledging and integrating the valuable insights provided by narrative inquiries particularly those centered around educators tipping points Despite the richness of these narratives in understanding pedagogy there exists a bias towards traditional quantitative research methods leading to limited recognition and acceptance of qualitative studies This lack of acceptance poses a barrier to leveraging the authentic experiences of educators for designing effective professional development and teacher education opportunities The key challenges include the undervaluation of narrative inquiries concerns about generalizability the need to balance authenticity with research rigor and the restricted influence on professional development due to the limited integration of narratives into the research base Addressing these challenges is crucial for fostering a more holistic understanding of pedagogical development and improving the quality of teacher education Inquiries of Pedagogical Shifts and Critical Mindsets Among Educators delves into unexplored pedagogy through a compendium of original research studies The focus is on narrative inquiries case studies and phenomenological investigations offering a nuanced understanding of pedagogical shifts and critical mindsets among P 16 educators Inspired by Novoa s conceptualization of Tipping Points the book unfolds the narratives and lived experiences that propel educators toward transformative shifts in their teaching methodologies *PC Mag* ,2008-03 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology *Mike Nichols* Mark Harris,2022-02-01 One of The Hollywood Reporter s 100 Greatest Film Books of All Time A National Book Critics Circle finalist One of People s top 10 books of 2021 An instant New York Times bestseller Named a best book of the year by NPR and Time A magnificent biography of one of the most protean creative forces in American entertainment history a life of dazzling highs and vertiginous plunges some of the worst largely unknown until now by the acclaimed author of *Pictures at a Revolution* and *Five Came Back* Mike Nichols burst onto the scene as a wunderkind while still in his twenties he was half of a hit improv duo with Elaine May that was the talk of the country Next he directed four consecutive hit plays won back to back Tonys ushered in a new era of Hollywood moviemaking with *Who s Afraid of Virginia Woolf* and followed it with *The Graduate* which won him an Oscar and became the third highest grossing movie ever At thirty five he lived in a three story Central Park West penthouse drove a Rolls Royce collected Arabian horses and counted Jacqueline Kennedy Elizabeth Taylor Leonard Bernstein and Richard Avedon as friends Where he arrived is even more astonishing given where he had begun born Igor Peschkowsky to a Jewish couple in Berlin in 1931 he was sent along with his younger brother to America on a ship in 1939 The young immigrant boy caught very few breaks He was bullied and ostracized an allergic reaction had rendered him permanently hairless and his father died when he was just twelve leaving his mother alone and overwhelmed The gulf

between these two sets of facts explains a great deal about Nichols's transformation from lonely outsider to the center of more than one cultural universe the acute powers of observation that first made him famous the nourishment he drew from his creative partnerships most enduringly with May his unquenchable drive his hunger for security and status and the depressions and self-medications that brought him to terrible lows It would take decades for him to come to grips with his demons In an incomparable portrait that follows Nichols from Berlin to New York to Chicago to Hollywood Mark Harris explores with brilliantly vivid detail and insight the life work struggle and passion of an artist and man in constant motion Among the 250 people Harris interviewed Elaine May Meryl Streep Stephen Sondheim Robert Redford Glenn Close Tom Hanks Candice Bergen Emma Thompson Annette Bening Natalie Portman Julia Roberts Lorne Michaels and Gloria Steinem Mark Harris gives an intimate and evenhanded accounting of success and failure alike the portrait is not always flattering but its ultimate impact is to present the full story of one of the most richly interesting complicated and consequential figures the worlds of theater and motion pictures have ever seen It is a triumph of the biographer's art
