Podcaster's Audio Handbook Corey Marie Green, 2021 Podcasting is a powerful tool of communication and creative expression that doesn't need to be intimidating. This book brings together the creative and technical aspects of audio engineering to help podcasters communicate their ideas effectively and creatively. The Podcaster's Audio Handbook focuses on simple techniques that immediately elevate the audio quality of your podcast. The book provides an overview of podcast recording and editing techniques so that podcasters can avoid common pitfalls. Readers will also gain access to audio downloads to enhance the learning process. With this book, you can improve the technical aspects of recording and editing your podcasts. Anyone can learn audio techniques, and I encourage anyone to share their stories through podcasting. Unleash your creativity and connect with your audience. What You Will Learn: Choose the correct file formats and settings. Set up a portable recorder. Make informed decisions about equipment purchases. Find suitable acoustic spaces to record inside and outside. Conduct an interview over the phone and the internet. Make a high-quality recording of an interview inside, outside, and remotely. Edit your podcast to an intermediate standard. Who This Book Is For: Perfect for a non-technical audience or beginner to intermediate podcaster looking to improve the audio quality of their podcast. Podcast George Sims, 2020-07-14 Are you ready to start your own podcast? Learning how to podcast isn't hard, but there are a lot of steps you need to take to get it started. Don't worry; this is the perfect beginner's guide to creating your podcast. It will take you from "I don't know where to start" to "Wow, I'm a podcaster in the easiest possible way." You will learn: How to plan like a Pro. Why you need a minimalist approach. Episode format. The equipment you need. Where to publish your podcast. Recording, editing, publishing, and distribution. How to monetize your podcast. Several marketing strategies. And much more. Podcasting is much less crowded and competitive than blogging; this is a perfect time to start. I want to be clear: normally, the first experiments are difficult, and the results do not fully satisfy you, but be strong and try to persevere. With time and experience, you will achieve remarkable results and reach more and more people. As in any other area, you can't improvise in podcasting. It is necessary to mature with constancy and determination. That is why you need this book in your hand.
