Angela Ndalians,Charlotte Henry,2002-03-30 The media star has become a powerful almost unparalleled cultural sign even  
as the star system has undergone radical transformation since the era of the Hollywood studio system Today s film industry  
continues to market and promote its products through actors in ways that seek to capture the often elusive quality that a star  
can embody Using contemporary stars such as Robert De Niro Keanu Reeves Arnold Schwarzenegger and Dennis Hopper  
this anthology of essays applies a variety of theoretical tools in its attempt to understand how we interpret stars and how we  
can begin to understand their cultural significance Likewise the study explores how the star system has become an  
increasingly complex phenomenon within society at large extending its impact beyond the cinema into music sports and  
fashion Many of the essays collected here consider this shift and examine how personae including the director Sam  
Peckinpah the royalty Princess Diana and even the digital star Lara Croft have captured the cultural imagination and have  
come to attain qualities as star like as those of the silver screen      Proceedings of the ... New Zealand Geography
